5. PUBLIC HEARING: Public Hearing to consider the purchase of softball complex property

Proof of Publications for this hearing were entered into the record. See SMB 45 Page 62. County Administrator, Carl Cool, introduced Mike Disler, an attorney who will be sitting in for Board Attorney, Ross Macbeth, during this hearing, due to one of the properties in question belonging to the Macbeth family. Mr. Cool stated this hearing is being held to consider the purchase of one of two pieces of property for the construction of a softball complex in Highlands County. He introduced the following documents into the record for this hearing: appraisals for both pieces of property, land purchase agreements, an environmental site assessment report for the Hutchinson property, and numerous letters and petitions in support and opposition to the purchase of the Hutchinson site. All of the Commissioners turned in letters they have received from the public concerning the hearing. Mike Disler informed the Board that if they decide on purchasing the Macbeth property, they will have to obtain another appraisal, due to the purchase price exceeding \$500,000. If the agreed purchase price exceeds the average of the two appraisals, there would have to be a super-majority vote (4-1) in order to purchase the property. Mr. Cool gave a powerpoint presentation on the two pieces of property. The Recreation and Parks Advisory Committee is recommending the Board consider and move forward with the purchase of the Hutchinson property. The Chair opened the floor to the public.

The following people spoke in opposition to the complex on either site: Rufino Salinas, representing the Crystal Lake Club, Nancy Geer, Hank Kowalski, Kevin Brown, and Ruth Curry. John Grille, Dee McDonald and John Shoop, representing RPAC, Louise England, and Mike Swain, representing the Hutchinson family, spoke in support of RPAC's recommendation. Rob Livingston, representing James W. Kelly, Sebring Shores Inc., and the Sherwood family, spoke in opposition to the purchase of the Hutchinson site. Jack Ritchie, Lowell Ballas, and Anita Helbig spoke in support of having a softball complex, but made no preference as to location. Ray Napper spoke in support of purchasing the Macbeth property for the complex. Chris Miller informed the Board of an alternate location for the complex, but requested additional time to look at the property.

Break 10:55 - 11:10 A.M.

Commissioner Bullard made a motion to pass on the purchase of the Hutchinson property, stating that the location is not an appropriate site for a softball complex, with the cemetery located just south of the property. Commissioner Maxcy seconded the motion. Upon roll call, all Commissioners voted aye. Motion carried to deny the request.

Carl Cool advised the Board that a public hearing is scheduled for this afternoon's Planning and Zoning Commission meeting to consider the re-zoning of both pieces of property. He stated that the Board should also take a position on the Macbeth property. If the Board passes on the Macbeth property also, he will instruct Staff to withdraw the proposed re-zoning applications from this afternoon's meeting. Motion by Commissioner Bullard, seconded by Commissioner Jackson, to pass on the purchase of the Macbeth property. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

6. WORKSHOP: Workshop on proposed marina at H.L. Bishop Park

Michael Wiggins updated the Board on the progress he has made concerning the proposed marina at H.L. Bishop Park, adding that he has met with and received endorsements for the project from numerous organizations and agencies, including the County Fire Department, Building Department, Lakes Manager, Highlands County Lakes Association, and the Town of Lake Placid. He is requesting that County Staff be allowed to proceed with drafting an RFP (Request for Proposal) for the project. Commissioner Bullard commended Mr. Wiggins for the research and work he has done so far. County Engineer, Ramon Gavarrete, stated he did not see any engineering or traffic issues with the project. The Board reached a consensus to instruct Staff to proceed with drafting an RFP for the project.

7. COMMISSIONERS

Commissioner Maxcy stated he will be attending a joint meeting with the Florida League of Cities, Florida School Board Association and the Florida Association of Counties this Friday to discuss issues for the upcoming session.

Commissioner Bullard advised that he met with the Southwest Florida Water Management District yesterday to discuss the new drafted SWUCA rules. He has also sent a list of questions to SWFWMD relating to SWUCA issues, and will share the final answers with the Board when they are received.

5. WORKSHOP: Public Transit Committee recommendation on bus purchase & system

Chairman Flowers stated the purpose of this workshop is to present and discuss all of the facts and issues associated with the purchase and implementation of a proposed public transportation system. He added that the Board will make a decision next week on whether to move forward with the plan. Public Information Officer, Lisa Burley, gave a brief presentation on the anticipated revenues and expenses associated with the system. County Engineer, Ramon Gavarette, also gave a presentation summarizing the possible cuts in personnel and services that could be expected should the County have to fund a portion of the transportation system. Marcia Stasko, Senior Program Manager for the Central Florida Regional Planning Council, stated that there may be additional dollars available in the Transportation Disadvantaged program to help fund the transportation system. The Chair opened the floor to the public.

Von Whitesides, Bob Martin, and Donna Doubleday spoke in support of having a public transportation system. Hank Kowalski, Jean Nichols, Clayton Womer, Jack Ritchie, and Ray Royce spoke in opposition. Commissioner Stokes suggested turning the issue over to the Long Range Transportation Committee for further study. Commissioner Bullard stated a decision needs to be made next week to either go forward with or vote down the plan. Commissioner Jackson expressed his opposition to the plan. Commissioner Maxcy stated that the timing is not right to have the system, but the need will have to be met in the future. Commissioner Flowers submitted two letters into the record from the public in support of the bus system. He encouraged the public to express their opinions and attend the public hearing next week. This item will be placed on next week’s agenda as a public hearing, and will be voted on by the Board. See tape for further details. See file for copy.

6. ACTION AGENDA:

Motion by Commissioner Stokes, seconded by Commissioner Maxcy to set action agenda as amended. Upon roll call, all Commissioners voted aye. Motion carried.

A. Dave Moore, Southwest Florida Water Management District: Presentation on the Southern Water Use Caution Area (SWUCA) proposed rules

Dave Moore, Executive Director of the Southwest Florida Water Management District (SWFWMD), gave a presentation on the SWUCA proposed rules and the issues concerning Highlands County. Questions and concerns were voiced by the Commissioners. See file for copy of presentation.

B. Charles Thompson, Executive Director, Florida Heartland Rural Economic Development Initiative

Charles Thompson introduced himself to the Board as the new Executive Director of the Florida Heartland Rural Economic Development Initiative (FHREDI), and thanked Highlands County for their continued support. Commissioner Maxcy suggested that FHREDI provide the Board with a quarterly report on their projects.

G. Development Services Director & E-911 Coordinator: Presentation of a Resolution from the Historic Preservation Commission and staff recommendation on the road renaming process

Development Services Director, Jim Polatty, presented a resolution from the Historic Preservation Commission, requesting the Board adopt a policy providing guidance for the consideration of road names with historical significance during the process of re-naming roads. The issue discussed at their most recent meeting was changing the name of a portion of Schlosser Road to Lake Drive Blvd. E-911 Coordinator, Ben Henley, stated that a portion of the road lies within the city limits of Sebring, and the City of Sebring is wanting to retain the name of Lake Drive Blvd for that part of the road. The County has no authorization to override the decision of a municipality.

Public input was received in support of keeping the name of Schlosser Road from: Keith Hunicutt, chairman of the Historic Preservation Commission, Gene Sauls, Howard Crawford, Audrey Vickers, and Bill Schlosser. Commissioner Maxcy suggested turning the current two-way stop sign that separates the two roads into a four-way stop. County Engineer, Ramon Gavarette, stated Staff will evaluate the issue. Having a four-way stop would allow both of the road names to remain the same. Commissioner Bullard suggested that Staff meet with the Historic Preservation Commission to draft a policy, establishing standards for determining what makes a name historically significant. Assistant County Administrator, Tom Portz, stated the issue will be tabled till a report is received back from the County Engineer's office. Chairman Flowers assured the members of the public that everything possible will be done to keep the name of Schlosser Road. See SMB 45 Page 91.

C. OMB Director: Presentation of the Government Finance Officers Association's Distinguished Budget Presentation Award for Highlands County

OMB Director, Rick Helms, introduced Linda Flynn, a state representative for the Government Finance Officers Association. Ms. Flynn presented the Board with a Distinguished Budget Presentation Award for Highlands County. This is the 7th consecutive year Highlands County has received this budget award. Rick Helms accepted the award on behalf of the Board. Ms. Flynn awarded Terry Gott, Budget Analyst, with a Certificate of Recognition for Budget Preparation.

D. Bob Jamison, Senior Director, Business Services Division, Clerk of Courts: Presentation of the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting for Highlands County

Linda Flynn presented Luke Brooker with a Certificate of Achievement for Excellence in Financial Reporting for Highlands County. This is the 11th consecutive award to be given to the Highlands County Clerk's office.

Break 10:45 - 11:00 A.M.

E. Mike Carter, CPA, The NCT Group, CPA's L.L.P.: Presentation of Highlands County's Audited Financial Statements for the Fiscal Year Ended September 30, 2003

Mike Carter, partner with The NCT Group, CPA, presented a report on Highlands County's Audited Financial Statements for the fiscal year ended September 30, 2003. He commended the Board for building up the unreserved fund balance, which now has approximately 47 days of operating budget, up from 30 days last year. All of the findings from the prior year have been corrected, and management is addressing the four findings from the current year. He closed by saying the County's financial standing is looking good, and commended the Board and Clerk's staff for their assistance in preparing the audit. Deputy Clerk, Bob Jamison, commended the Board and Staff for their leadership and pro-active approach to improving the financial condition of the County. See file for copy.

F. Public Information Officer: Board decision on bus purchase

Public Information Officer, Lisa Burley, presented a request for the Board to make a final decision on whether or not to purchase buses and implement a bus system in Highlands County. If the Board decides not to purchase the buses, she is requesting that they make a motion to not purchase the buses and release all unspent funds back to FDOT for reallocation. Chairman Flowers stated that it was the general consensus to not move forward with the system. Elmira Hearn, Ray Napper, Richard Conover, and Gabriel Reed spoke in support of having a bus system in the County.

Motion by Commissioner Stokes, seconded by Commissioner Jackson to not purchase buses for a public transportation system and all funding allocated for this project shall be released to FDOT for reallocation. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 92.

H. County Engineer: Executive Summary update for Courthouse Restore/Repair Project #01099 and Corrections Facility Expansion Project #01100

County Engineer, Ramon Gavarette, gave a monthly update on the Courthouse Restore/Repair and Corrections Facility Expansion projects. The original contract has been reduced by approximately \$1.67 million. The estimated completion date for the project is September 11, 2004. The contractor has indicated that they are aiming to have the new courthouse building operational by April or May, and the new jail pod will be operational within the next 40 to 45 days. See file for copy.

I. Development Services Director:

1. Request approval of the amendment to the KDL Construction Contract

Development Services Director, Jim Polatty, presented the request to approve the amendment to the contract with KDL, eliminating the Direct Material Purchase requirement. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

Corbett Alday, representing Meridian Community Services Group, stated this second public hearing is being held to obtain additional public input on the grant application. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 20.

D. General Services/Purchasing Director: Request approval of (1) final lists of County surplus going to February 28, and March 6, 2004 auctions, and (2) lateral transfer of County surplus to “other governmental agencies or Non-Profit agencies

General Services/Purchasing Director, Jed Secory, presented a request to approve the final lists of County Surplus property to be sold at auction on February 28 and March 6, and for surplus property to be transferred to other agencies. Motion by Commissioner Stokes, seconded by Commissioner Bullard to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 93.

K. Assistant County Administrator

1. Request approval of Budget Amendment 03-04-113 decreasing fund 005 Reserve for Contingency

Assistant County Administrator, Tom Portz, presented the request. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the budget amendment to provide funding for grant proposals. Upon roll call, all Commissioners voted aye. Motion carried.

2. Approval of Insurance Rates reductions

Assistant County Administrator, Tom Portz, presented the request to approve the reduction of insurance rates for county employees, as proposed by staff. The request has been recommended by the Insurance Committee. The revised rates are for the High Plan (927), and will be in effect for the remainder of the year. Human Resources Director, Freddie Carino, stated that those employees with dependent coverage will be credited back any overpayments made. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 94.

13. PUBLIC HEARING: To request for a Notice of Nuisance, CE 03040033, 3800 Rushlo Street - Villone

Code Enforcement Officer, April Hartseil, presented a request to declare a nuisance on the property located at 3800 Rushlo Street, Rushlo Unrecorded Subdivision. Commissioner Jackson cited a conflict of interest due to the property owner being a client. A Memorandum of Voting Conflict was entered into the record. See SMB 45 Page 100. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye, except Commissioner Jackson, who abstained. Motion carried. See Subdivision file.

14. PUBLIC HEARING: Two zoning changes and one county-initiated zoning changes:

Development Services Director, Jim Polatty, presented Proof of Publications for the following hearings into the record. See Proof of Pub Book 3 Page 55.

HEARING #1680 - MICHAEL W. AND GARNET M. WHITE

An approximate 14.1 acre Parcel located South of U.S. Highway 98, and North of Ranchero Drive, Sebring, Florida, located in Sec. 13, Twp. 35S, Rge. 29E, Highlands County, Florida.

Requesting a zoning change from AU (Agricultural) to I-2 (Industrial district).

Development Services Director, Jim Polatty, briefly explained the request, stating that the applicant has changed their request to I-1(Industrial district). A petition with 63 names in opposition to the request was entered into the record. Pam Karlson, representing the applicant, requested that this hearing be tabled to allow the applicant time to draft a site plan for the property before coming back before the Board. Commissioner Bullard made a motion to table Hearing # 1680. Commissioner Stokes seconded the motion. Both Commissioners also expressed concerns about having Industrial zoning in close proximity to residential neighborhoods, adding that all of the surrounding areas need further study before approving anymore zoning changes. Mrs. Karlson stated that her client would be willing to withdraw the application at this time, with the Board's consideration to waive any future application fees for her client. Commissioner Bullard withdrew his motion. Commissioner Stokes withdrew the second. Motion by Commissioner Bullard, seconded by Commissioner Jackson, to permit the applicant to withdraw the request with the stipulation that the Board will waive the future re-zoning application fees, once the land use change has been accomplished. Don Greenhalgh spoke in support of reviewing the area more before making any changes. Upon roll call, all Commissioners voted aye. Motion carried.

HEARING #1681 - BJD ENTERPRISES, INC. - B.D. MCLEOD

Approximately 9.07 acres located North of Karen Blvd., South of Crystal Lake Mobile Home Park, and West of abandoned railroad, Sebring, Florida, located in Sections 2 and 11, Twp. 34S, Rge. 28E, Highlands County, Florida.

Requesting a zoning change from AU (Agricultural) to R-1A (Residential district).

Development Services Director, Jim Polatty, presented the request. Dale Polston stated his client offered deed restrictions to the P&Z Commission that were not included in the recommendation, but are still on the table for the Board's consideration. Vernet Sallie spoke in support of having the deed restrictions on the property. Richard Conover requested clarification on the legal description of the property. Kathryn Myers spoke in support of the deed restrictions, and also requested that some type of berm be placed on the property to prevent the drainage from running onto her property. Mr. Polston stated that they will be required to keep the drainage at pre-development level. Motion by Commissioner Bullard, seconded by Commissioner Stokes, in accordance with the Planning and Zoning Commission, approve P&Z Case No. 1681, a zoning change from AU (Agricultural) to R-1A (Residential district), including changing the Mandatory Findings in the staff report, and including the deed restrictions that the houses have a minimum 2,000 square foot living area and a 2 car garage. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 22.

D. County Administrator

1. Request acceptance of Drainage Easement

County Administrator, Carl Cool, stated that Mr. and Mrs. Joseph Franza are willing to donate a 20 foot wide drainage easement to the County, if the County is willing to place some fill on the outside edge of the easement. The estimated cost of the fill is \$3,000.00. He added that there will be extra fill when the ditch on Chatterpaul property is dug, and that fill could be used for this easement. Staff is recommending the Board accept the drainage easement, and agree to place fill at the site. Motion by Commissioner Bullard, seconded by Commissioner Maxcy to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See Subdivision file.

2. Request approval to donate signs to the Highlands County Lakes Association

Carl Cool stated that the Lakes Association has received a cooker, donated by Alan Jay Wildstein. They are asking the County to make three signs noting who donated the cooker and who owns it, and donate the signs to the Association. The cost to make the signs is approximately \$125.00. 5. PUBLIC HEARING: To consider an Ordinance to adopt requirements for the approval and issuance of checks, electronic transfers, Automated Clearing House (ACH) transactions, and warrants by the Clerk of Courts for expenditures determined by the Board to serve a public purpose.

Proof of Publication for this hearing was entered into the record. See Proof of Pub Ord. Book 3 Page 56. County Administrator, Carl Cool, stated that the Clerk’s office issues checks for the County on a weekly basis, as approved by the Board. In the months that the Board does not meet on the 5th Tuesday, the Clerk’s office requires prior approval by the Board to issue checks for the following week. This ordinance would give the Clerk’s office the authority to issue checks for the Board in the weeks that the Board does not meet. The Clerk’s office is in agreement with the ordinance. Board Attorney, Ross Macbeth, read a caption of the ordinance into

the record. Motion by Commissioner Bullard, seconded by Commissioner Maxcy to adopt the Ordinance as written. Upon roll call, all Commissioners voted aye. Motion carried.

6. WORKSHOP: FY 04-05 Budget Workshop

OMB Director, Rick Helms, gave a powerpoint presentation on the County's Budget Outlook, what issues are facing the County in the upcoming fiscal year, and what the County might expect from the State's budget. He stated that Staff is not expecting to be in cutback mode in the upcoming budget year, but is being cautious. Several shortfalls in the state budget will impact local budgets, but those are not yet known. Commissioner Flowers instructed Staff to approach the budget process as if the County is in cutback mode. He also requested to continue budget discussions, with monthly reports and updates. County Administrator, Carl Cool, stated that Staff will have a better idea by the end of the month of what to expect from the state's budget. Gabriel Reed expressed concerns about the increasing cost shifts from the state to local governments. See tape for further details. See file for copy.

Commissioner Bullard left the meeting at 9:55 A.M.

7. WORKSHOP: Workshop to consider funding for Planning, Zoning, and Code Enforcement through a Municipal Services Taxing Unit (MSTU); and to consider pro-active Code Enforcement

Development Services Director, Jim Polatty, presented two proposals to the Board to fund the Code Enforcement, Zoning, and Planning Departments from a source other than the General Fund, and to implement and propose funding pro-active code enforcement throughout the unincorporated area of the County. The Code Enforcement, Planning, and Zoning Departments could be funded through either a Municipal Services Taxing Unit (MSTU) or a Municipal Services Benefit Unit (MSBU) in the unincorporated area of the County. A MSTU is an ad-valorem tax on a specific area of the county, while a MSBU is a service charge or special assessment. There is a possibility that the County could lower the county-wide millage if an unincorporated MSTU is adopted. Staff is recommending the Board consider implementing a MSTU, and schedule a public hearing for sometime in May or June to allow for public input.

Mr. Polatty presented three options for implementing pro-active code enforcement throughout the unincorporated areas of the County. The first option is to hire a Code Enforcement Clerk, which would allow the three existing Code Enforcement Officers more time in the field. The second option is to hire two additional Code Enforcement Officers, one as head inspector and supervisor, and a Code Enforcement Clerk. The third option would be to hire two additional Code Enforcement Officers and purchase two additional vehicles. Pro-active code enforcement could be funded from the general fund. Staff is recommending the hiring of a code enforcement clerk and make certain code amendments that would make nuisance violations a civil citation. Commissioner Jackson and Stokes spoke in support of pro-active code enforcement and the hiring of a code enforcement clerk. Commissioner Flowers requested Staff prepare a report for the Board summarizing today's discussion, and possibly schedule a follow-up workshop sometime in the next few months. County Administrator, Carl Cool, suggested hiring a temporary clerk to finish out the remainder of the year, in order to give the Board an idea of how it will work. Jack Ritchie, chairman of the Highlands County Homeowners Association, spoke in support of pro-active code enforcement. Ray Royce, Highlands County Citrus Growers Association, encouraged the Board and Staff to workshop this issue again to get a clearer picture of the costs that will be associated. Theresa Williams expressed concerns about implementing pro-active code enforcement, stating that it could create

hardships for some of the residents of Highway Park due to the fines that would be assessed. See tape for further details. See SMB 45 Page 108.

6. ACTION AGENDA

Motion by Commissioner Jackson, seconded by Commissioner Stokes to set action agenda as amended, with addition of item G-2 under County Administrator, and deletion of Item 6-E. Upon roll call, all Commissioners voted aye. Motion carried.

A. General Services/Purchasing Director: Request approval of a Proclamation recognizing "Purchasing Month, March 2004"

General Services/Purchasing Director, Gerald Secory, presented a proclamation, recognizing March 2004 as *The Board's Purchasing Month in Highlands County*. He added that the Purchasing Department will be having an open house for the public on March 24, 2004 from 7:30 a.m. until 6:00 p.m. at 4320 George Boulevard. Chairman Flowers read the Proclamation into the record. Motion by Commissioner Bullard, seconded by Commissioner Stokes to adopt the Proclamation. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 27.

B. Keep Highlands County Beautiful Coordinator: Presentation of Tree Protection and Preservation Awards

Mike Eisenhart, Coordinator of Keep Highlands County Beautiful (KHCB), along with Louise Sauls, Chairperson for KHCB, and Jerry Miller, Community Relations Manager for Progress Energy, presented awards to area residents and businesses. The awards are to recognize the voluntary effort of individuals in the county that have preserved and protected trees, for the welfare of all Highlands County. Those awarded were: The Villages of Highlands Ridge, Everett & Susan Finney, Sunshine Family Dentistry, and Thomas Wohl. Each recipient received a plaque recognizing their efforts, and a check made payable to Highlands Hammock State Park, that will allow them to receive an annual pass to all of the parks in the State of Florida for a year.

C. Ben Walker, Florida Department of Transportation Planning Manager: Discussion of changes to the Transportation Investment Policy

This item will be rescheduled at a later date.

D. County Engineer: Request approval of Georgia Pacific Entrance Road - Highlands County Grant/Project number 02117 - OTTED Grants OT04-014 & OT04-015

County Engineer, Ramon Gavarette, gave a brief overview of the project, and showed pictures of the warehouse already built and the construction underway for the entrance road. With the construction of the new warehouse, the Florida Department of Transportation (FDOT) is now requiring left and right turn lanes be constructed on SR 70, to allow access to the facility. This will result in a cost increase to the County, with the funds to come from the CIP, but those funds will be reimbursed by FDOT in the 2009/2010 fiscal year. He presented three Staff recommendations for Board approval. Jeff Hehir, Senior Director of Supply Chain Solution for Georgia Pacific, thanked the Board, Staff, and Lake Placid Groves for all of their efforts on this project. Bob Osbourne, representing Lake Placid Groves, also thanked the Board and Staff.

Motion by Commissioner Bullard, seconded by Commissioner Jackson, to enter into a Joint Participating Agreement (JPA) with the Florida Department of Transportation by which the County would forward the estimated additional funds, not to exceed \$420,000.00, required for the completion of this project with reimbursement of these funds from the FDOT in the State's 2009/2010 fiscal year with no accrual of interest. Upon roll call, all Commissioners voted aye. Motion carried.

Motion by Commissioner Bullard, seconded by Commissioner Jackson, to enter into a Participating Party Agreement, in a form acceptable to the Board Attorney, with Lake Placid Groves, LLC. And Georgia Pacific Corporation to implement the requirements of OTTED for the Economic Development Transportation Fund Grant

(Grant # OT04-015) and Rural Infrastructure Grant (Grant # OT04-014) awarded to the County by OTTED, with the conditions set forth by staff. Upon roll call, all Commissioners voted aye. Motion carried.

Motion by Commissioner Bullard, seconded by Commissioner Stokes, to approve agreement between Highlands County and the Governor's Office of Tourism, Trade and Economic Development (OTTED) for the Rural Infrastructure Fund Agreement Number OT04-014 for \$117,300.00. Upon roll call, all Commissioners voted aye. Motion carried. See file for copies.

E. ~~Housing Coordinator: Request approval of a Comprehensive Housing Assessment Study~~

5. ACTION

Motion by Commissioner Maxcy, seconded by Commissioner Jackson to set action agenda as listed. Upon roll call, all Commissioners voted aye. Motion carried.

**A. Dave Moore, Executive Director, Southwest Florida Water Management District:
Discussion on Water Management District boundaries legislation**

Commissioner Bullard commented on Southwest Florida Water Management District’s (SWFWMD) responses to questions raised by the Board regarding part of Highlands County being in the Southern Water Use Caution Area (SWUCA). A majority of the surface water in Highlands County runs into the South Florida Water Management District (SFWMD). He stated that Senator Alexander and Representative Spratt are awaiting the Board’s decision on whether or not to continue forward with legislation that would put all of Highlands County into SFWMD. Dave Moore, Executive Director of SWFWMD, thanked the Commission for giving him the chance to resolve this issue. He agreed that nearly all of the county surface water flows into SFWMD, but was more concerned with the ground water issue, in that more than half flows into SWFWMD. The Chair opened the floor to the public.

Wes Fisher, owner of Hidden Acres Nursery, Ray Royce, Highlands County Citrus Growers Association, Elton Gisendaner, John Tallent, Marty Roepstorpf, Utility Director for the City of Sebring, John Barben, and Sanford Hartt, all spoke in support of moving forward with the legislation. Don Linton, Vice Chairman of the Water Advisory Committee, stated that the Committee passed a unanimous vote to back the County Commission in

supporting the legislation. Commissioner Flowers thanked Mr. Moore for his efforts in trying to accommodate the County, and trying to satisfy our requests. Motion by Commissioner Bullard, seconded by Commissioner Stokes to request that our legislative delegation continue to pursue passage of legislation to move all of Highlands County into the South Florida Water Management District. Upon roll call, all Commissioners voted aye. Motion carried.

Proof of Publication was entered into the record. See SMB 45 Page 121. Engineering Services Manager, Jennifer Good, presented the request. Motion by Commissioner Bullard, seconded by Commissioner Jackson

to approve the Resolution vacating the easement. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 32.

11. PUBLIC HEARING: Public Hearing to consider proposed zoning changes, a small scale plan amendment, and a county initiated zoning change.

Development Services Director, Jim Polatty, presented Proof of Publication for the following hearing. See Proof of Pub. Ord Book 3 Page 57.

1A) HEARING # CPA - 04 - 243SS - VAN KIRK INVESTMENTS II, LLC - C/O RICK WHIDDEN

Located on the West side of Catfish Creek Road at the intersection of Deanna Drive, Lake Placid, Florida, containing approximately 8.95 acres located in Sec. 2, Twp. 37S, Rge. 29E, Highlands County, Florida.

Requesting a small scale plan amendment from (Agriculture) to (Medium Density Residential). See Hearing #1684 below for details.

1B) HEARING #1684 - VAN KIRK INVESTMENTS II, LLC - C/O RICK WHIDDEN

Located on the West side of Catfish Creek Road at the intersection of Deanna Drive, Lake Placid, Florida, containing approximately 8.95 acres located in Sec. 2, Twp. 37S, Rge. 29E, Highlands County, Florida.

Requesting a zoning change from AU (Agricultural) to R-1A (Residential district). Applicant desires to construct single family dwellings.

Development Services Director, Jim Polatty, presented the request. Staff and P&Z are recommending approval of the small scale plan amendment and re-zone. Letters and e-mails were entered into the record in opposition to the request. The Chair opened the floor to the public. Public input was received in opposition from the following: Hoz Compton, Jim Perry, Scott Forsyth, Michael Wiggins, Nancy Shuler, Marlene Snyder, Eric Brooks, Laurie Brouwer, Charles Smith, Mike Wudtke, Gabriel Reed, Susan Compton, Jon Draper, and Debbie Malloy-Thorpe. Rick Whidden spoke on behalf of the petitioner. Commissioner Stokes expressed concerns about the increase in traffic. Richard Reinhart, County Engineering Department, stated that the most recent counts for Catfish Creek Road show an annual average of 7,200 vehicles per day. Commissioner Bullard questioned if development of the property will interfere with the rights of the residents to gain access to their property on Catfish Lane. Tim Van Kirk, petitioner, stated that part of Catfish Lane lies on his property, but he would be willing to make adjustments to allow the residents to keep their access. Commissioner Maxcy suggested lowering the number of lots on the property. Mr. Van Kirk stated he would be willing to reduce the number of lots by 1 or 2 lots.

Commissioner Bullard made a motion to approve the zoning change and land use change request, including maintaining access for those residents on Catfish Lane, and restricting the number of lots to a maximum of 18 rather than 20 lots. The motion died for lack of a second. Mr. Van Kirk offered to restrict the number of lots to 17. Commissioner Maxcy made a motion to deny the request. Commissioner Stokes seconded the motion. Commissioner Bullard questioned if a reason has to be given when denying a request. Board Attorney, Ross Macbeth, stated that some findings of fact and conclusions of law should be stated when denying a request. With

that, Commissioner Bullard requested that the maker of motion state his reasons for denying the request. Commissioner Maxcy withdrew his motion. Commissioner Stokes withdrew his second.

Commissioner Bullard made a motion to approve and adopt by Resolution P&Z Hearing #1684, changing the zoning atlas for 8.95 acres from AU (Agricultural) to R-1A (Residential district), conditioned upon the density not exceeding seventeen (17) lots, and maintaining access for the residents on Catfish Lane, and approve CPA-04-243SS, amending the Future Land Use Map from Agriculture to Medium Density Residential, referencing the mandatory findings and transmitting to the Florida Department of Community Affairs (FDCA) for their compliance determination, and upon the small scale amendment becoming effective as provided by law. Commissioner Jackson seconded the motion. Ross Macbeth stated the easement proposed by the developer would have to be changed to reflect the maximum number of lots lowered to seventeen (17). Upon roll call, Commissioners Bullard and Jackson voted aye. Commissioners Stokes, Maxcy, and Flowers voted nay. Motion failed.

Commissioner Maxcy left the meeting at 11:45 A.M.

2) **HEARING #1685 - WHITESTAR INC. - C/O RICK WHIDDEN**

Approximately 6.8 acres located South of U.S. 98 on the West side of Albritton Road, Sebring, Florida. Located in Sec. 13, Twp. 35S, Rge. 29E, Highlands County, Florida.

Requesting a zoning change from R-1 (Residential district) to I-1 (Industrial district). Applicant desires warehouse and vehicle storage.

Development Services Director, Jim Polatty, stated this application has been withdrawn, and the applicant is requesting the Board waive the application fee when they re-apply for a revised zoning designation next month. Staff is recommending approval of the application fee waiver. Motion by Commissioner Bullard, seconded by Commissioner Jackson, to approve the request to waive the application fee. Upon roll call, all Commissioners voted aye. Motion carried.

3) **HEARING #1686 - RANDALL J. PARKER (724) LLC, A FLORIDA LIMITED LIABILITY COMPANY - C/O RICK WHIDDEN**

Two Lots on the South side of U.S. 98, and approximately 100 feet East of Bay Street, Lorida, Florida. Lots 2 and 3, Block 2, Lorida Heights, as recorded in P.B. 8, Pg. 48 of the Public Records of Highlands County, Florida.

Requesting a zoning change from B-1 (Neighborhood Business district) to B-3 (Business district).

Development Services Director, Jim Polatty, presented the request. The applicant will provide a restrictive easement eliminating some objectionable uses. Staff and P&Z are recommending approval of the zoning change. Motion by Commissioner Stokes, seconded by Commissioner Jackson, in accordance with the Planning and Zoning Commission, move to approve and adopt by Resolution P&Z 1686, amending the Zoning Atlas for 0.46 acres from B-1 (Neighborhood Business district) to B-3 (Business district), referencing the mandatory findings, and becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 33.

4) **HEARING #1687 - COUNTY INITIATED ZONING CHANGES - CONTACT: JAMES POLATTY, DEVELOPMENT SERVICES DIRECTOR**

6. ACTION AGENDA

Motion by Commissioner Stokes, seconded by Commissioner Maxcy to set action agenda as listed. Upon roll call, all Commissioners voted aye. Motion carried.

- A. Robert E. Livingston, Highlands County Bar Association & members of Law Day Committee: Request approval of a Proclamation recognizing Friday, April 30, 2004, as "Law Day 2004"**

Rob Livingston, Highlands County Bar Association, presented the Proclamation for approval. Chairman Flowers read the Proclamation into the record. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the request, proclaiming Friday, April 30, 2004 as *Law Day*, a day to celebrate our liberties and freedom. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 39.

- B. Kyla Carswell, Community Facilitator with Devereux Kids: Request approval of a Proclamation recognizing the month of April 2004 as "Child Abuse and Neglect Prevention Month"**

Kim Dougherty, Director of Prevention with Heartland for Children, presented the Proclamation for approval. Chairman Flowers read the Proclamation into the record. Motion by Commissioner Maxcy, seconded by Commissioner Jackson to approve the request, proclaiming the month of April 2004 as *Child Abuse and Neglect Prevention Month* in Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 40.

- C. Mike Willingham, Executive Director, Sebring Airport Authority: Appreciation of the board's assistance with design-build projects**

Mike Willingham, Executive Director for Sebring Airport Authority, expressed his thanks to the Board for their help in assisting with their design-build projects, and their faith and trust in the Sebring Airport Authority in getting the projects completed. Commissioner Maxcy thanked Mr. Willingham and Board members for making the Sebring Airport Authority one of the most valuable assets to Highlands County.

- D. Keith Lockett: Request approval to renew the DeSoto City Off Road Radio Controlled Park, Inc. Right of Entry Agreement**

Keith Lockett requested approval to renew the Right of Entry Agreement with the Board for the DeSoto City park. He suggested the possibility of having an extended lease in the future that would renew the lease for more than one year at a time. County Administrator, Carl Cool, showed some recent pictures that were taken of the

park. Commissioner Jackson questioned the possibility of having a continuing lease with the right to terminate by either party. Board Attorney, Ross Macbeth, stated that there is a provision within the current lease stating the right to terminate by either party with notification.

Commissioner Jackson made a motion to approve the one-year lease extension. Commissioner Maxcy seconded the motion. Mike Monske, resident living by the park, expressed concerns about the noise level, trespassers and drinking on the property. Mr. Lockett stated that they are in the process of having a fence installed that will prohibit access to the property by anyone that is not a member of the club. Commissioner Flowers stated that the park is county property, and there is an ordinance in place that prohibits alcohol on county property. He encouraged Mr. Monske to inform the Sheriff's office when he sees any violations occurring. He advised Mr. Lockett and Mr. Monske meet with the County Administrator and Staff to come up with ideas and solutions for the issues discussed. Commissioner Stokes requested the Sheriff's office do extra patrol in the area.

Vicki Pontius, Parks and Recreation Director, spoke in agreement to the right to terminate the agreement, adding that she would like the opportunity to get the park back should the facility ever be abandoned. Commissioner Bullard made an amendment to the original motion to renew the agreement for one year, with the understanding that the applicant and the residents will work with County Staff to try to work out some of the issues. Commissioner Stokes seconded the motion. Upon roll call of the *amendment to the motion*, all Commissioners voted aye. Motion carried. Upon roll call of the *original motion*, all Commissioners voted aye. Motion carried. See SMB 45 Page 129.

E. Louise England, Tourist Development Council Administrator: Request approval to fund lakes projects through the Tourist Development Tax Trust Fund

Louise England presented, for approval, three (3) projects that the Highlands County Lakes Association has recommended to the Tourist Development Council. The first project is a request for a \$500 matching grant from the Tourist Tax Funds to recycle fishing line. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried.

The second project recommended by the Lakes Association is for \$1000 for Tourist Tax Funds to purchase native plants to plant in Lake August to improve fish habitat and water quality. The work will be done and maintained by volunteers. Commissioner Bullard expressed concerns about using Tourist Tax revenues for the cleanup and restoration of a lake that does not have public access. He requested that Staff come back to the Board with proposals for taking the funds out of Reserve for Contingency or some other fund to do the project. Ms. England stated that they were assured that there is public access to Lake August. County Administrator, Carl Cool, stated that there is a drainage easement on the lake, but it does not provide public access. Don Linton expressed concerns for other lakes in the county that are not eligible for these funds, but have hotels and other businesses located on them that collect the tourist tax. Louise England stated that the Council will look at this project again and try to come up with a clearer definition of public access for lakes.

The third request is a request for \$1,500 to stock a donated trailer and grill, to feed the people who volunteer to clean up the lakes. Motion by Commissioner Bullard, seconded by Commissioner Jackson to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 130.

F. Parks & Recreation Director:

1. Request approval to assume maintenance of canals 10 & 11 and a portion of Catfish Creek

Vicki Pontius, Parks & Recreation Director, presented a request for approval to assume the maintenance of the canals as stated. Motion by Commissioner Bullard, seconded by Commissioner Stokes to assume the maintenance of canals 10 & 11 and a portion of Catfish Creek, at the same levels as the other canals. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 131.

2. Request approval to assume maintenance of canal at Flamingo Road, NE

Vicki Pontius presented the request to assume the maintenance of the canal at Flamingo Road NE in Placid Lakes, at the request from local residents. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 132.

G. Human Resources Director: Request approval of temporary clerical support for Code Enforcement

Human Resources Director, Freddie Carino, presented a request to authorize a temporary clerical position to assist in the Code Enforcement office. Motion by Commissioner Maxcy, seconded by Commissioner Jackson to approve the personnel action as recommended by Staff. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 133.

H. Housing Coordinator:

1. Request approval to partner with the Avon Park Housing Authority to pay one half the cost of the Comprehensive Housing Assessment Study of Highlands County, not to exceed \$7,500

Housing Coordinator, Penny Phillippi, presented the request. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the partnering with the Avon Park Housing Authority to pay one half of the cost of the Comprehensive Housing Assessment Study of Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Housing file.

2. Update on Community Development Block Grant - conflict of interest for CDBG client

Penny Phillippi presented a request to apply for a conflict of interest from the Department of Community Affairs (DCA) for one of the participants in the CDBG Housing Rehabilitation program. The conflict of interest exists due to the applicant having family relationships with members of the Citizens Advisory Task Force. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See Housing file.

3. Request approval of the State Housing Trust Fund Resolution

Penny Phillippi presented a Resolution for approval, opposing the portion of the Governor's proposed budget that would eliminate the Housing Trust Funds, urging the Legislature to re-authorize the state and local housing trust funds that provide funding for affordable housing programs. Commissioner Jackson expressed concerns about the wording in the first paragraph. Commissioner Bullard suggested adding the word "help" to make the

paragraph read “ Whereas, Highlands County has an obligation to *help* provide for the housing needs...”. Commissioner Maxcy read the amended Resolution into the record. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the Resolution as amended. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 41.

4. Request approval to use parcels from the Affordable Housing Land Bank to pursue HOME Investment Partnership funds

Penny Phillippi presented a request to provide 25 parcels from the Affordable Housing Land Bank to be used in the HOME Investment Partnership program. The program will provide purchase assistance for 25 applicants whose incomes are at or below 80% of the area median income. Board Attorney, Ross Macbeth, stated that Staff will have to identify the lots that will qualify for this program, then put the properties out for bid. Ms. Phillippi stated they will come back before the Board with the lots chosen and the bid process. Motion by Commissioner Stokes, seconded by Commissioner Bullard to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See Housing file.

5. WORKSHOP: County Administrator’s retirement & transition plans

Commissioner Flowers stated the purpose of this workshop is to discuss plans for hiring a new county administrator when the current county administrator retires in June 2005. Carl Cool presented ideas for the transition to a new administrator. He is suggesting hiring an “assistant to the County Administrator” in January 2005, resulting in a six month overlap until he retires. After which, he would still remain available on a consultation basis. Mr. Cool also suggested making some minor changes to the ordinance regarding the County Administrator, to bring it up to date, before starting the interview process. The County could use the services of an executive search firm to help in the hiring of the new administrator. Tom Freijo, Senior Vice President of The Mercer Group Inc., briefly explained the executive search services that his firm provides for a city or county in the selection process. Commissioner Bullard questioned if the applications would become public record once they are received by the search firm. Mr. Freijo stated that everything he receives becomes public record.

Besides deciding on whether to hire a search firm, Carl Cool advised the Board that they also will need to decide if they want any overlap time for the new administrator. Mr. Freijo stated that most applicants would not want to enter into that type of agreement. Commissioner Bullard added that most would come into the job expecting to be in charge from day one. He suggested an alternate transition plan, by hiring the new administrator, and keeping Carl Cool on board on a declining consulting retainer for a period of 6 months. Commissioner Maxcy suggested negotiating a consulting fee with Carl Cool, on an as needed basis, rather than paying him a salary for 6 months. Commissioner Flowers supports a continued pro-active approach to the process, and identifying the issues that will have to be addressed. He encouraged the Board to bring up any suggestions when they have them, and to meet with Mr. Cool to have Staff do additional research for any of their ideas. Carl Cool stated that this could be made a budget issue for the upcoming budget year if the Commissioners want to have the funds available for a search firm. Commissioners Bullard, Flowers, and Stokes agreed that it would be in the County’s best interest to hire the services of a search firm. Commissioner Maxcy voiced concerns about spending money to hire an outside search committee that cannot guarantee the new County Administrator would stay with the County for more than one year. The Board instructed Staff to begin addressing some specific issues, such as revising the ordinance regarding the County Administrator, modifying the transitional plan, and researching ideas

for potential contracts, and consulting agreements with fair compensation. Human Resources Director, Freddie Carino, added that the cost of hiring a search firm is reasonable. Although the work could be done in-house, there is the possibility of exceeding the \$20,000 charge by having Staff do the selection process. See SMB 45 Page 137.

Commissioner Jackson left the meeting at 10:10 A.M. Returned at 10:35 A.M.

6. WORKSHOP: Video & discussion on loss reduction - Workplace Incentives Program

Human Resources Director, Freddie Carino, showed a video describing the "Safety Pays" workplace incentives program, an employee incentive program designed to encourage safety on the job. County Administrator, Carl Cool, stated this concept is being brought before the Board for review, and that no decision is needed today. The program could help reduce the number of workers compensation claims, and the severity of the claims. Freddie Carino stated the cost is approximately \$2,000 per year per group, with a cap of \$150 in the jackpot. The payouts would come out of Salaries & Wages, and would be run through payroll. Carl Cool suggested starting out with four groups, including the three crews from Road & Bridge Department, and the Carpentry Shop. He stated that this would be proposed as a budget expenditure, to be funded after October 1, 2004, if approved. See SMB 45 Page 138.

- B. **County Engineer**

1. Presentation of the Executive Summary Update for the Courthouse Restore/Repair Project #01099, and Corrections Facility Expansion Project #01100

County Engineer, Ramon Gavarrete, gave a monthly update on the Courthouse Restore/Repair and Corrections Facility Expansion project, and showed pictures of the construction. The estimated completion date for the project is October 11, 2004. See file for copy.

2. Request approval of Budget Amendment # 03-04-137 and Change Order # 33

Ramon Gavarrete presented a budget amendment and contract change order for approval, which is necessary to upgrade the video visitation system for the new jail facility. The budget amendment is needed to cover current deficiencies in the project, anticipated change orders for the renovation of the jail, and the change order presented today. The funds are being transferred from the contingency fund for the courthouse to the jail project. Deputy Clerk, Bob Jamison, questioned what will happen if additional funds are needed for the courthouse project, if all of the contingency funds are used. Ramon Gavarrete stated that Staff will have to come back before the Board to seek additional funding. Motion by Commissioner Stokes, seconded by Commissioner Bullard to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

C. Assistant County Administrator and Emergency Management Director: Presentation of Hazardous Material Response Team Recommendations

Assistant County Administrator, Tom Portz, stated that Highlands County is being given the opportunity by the State Domestic Security Task Force to enhance our Hazardous Materials Response Team. The State is proposing to give Highlands County 3 different sets of funding totaling \$234,529.25, for additional equipment for the HAZMAT Team, light extraction training, and a mass casualty response trailer. Staff is recommending approval to accept the funding, and also approve the designation of a Lead Worker to oversee the management of the Team. Motion by Commissioner Bullard, seconded by Commissioner Stokes to accept the proposals for \$234,529.25 of funding from the State of Florida Department of Financial Services and the Regional Domestic Security Task Force, and to approve the designation of a Lead Worker for the HAZMAT Team. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

D. Board Attorney

Board Attorney, Ross Macbeth, presented a letter he received from Bryant, Miller, and Olive, the Board's current bond counsel. They have a potential client, National Recreational Properties Inc, that is interested in buying the bonds for Sun'n Lakes Improvement District and restructuring them. There is a potential for a conflict of interest, due to the possibility of the Board having to approve changes to the district charter and adopting Resolutions and Ordinances relating to that. They are requesting the Board to sign a conflict of interest waiver. Mr. Macbeth is recommending approval of the request. Motion by Commissioner Jackson, seconded by Commissioner Maxcy to approve the conflict of interest waiver. Commissioner Bullard expressed concerns about approving this without having ample time to review the request. Ross Macbeth stated that the issue can be rescheduled for next week's agenda. Commissioner Jackson withdrew his motion, and Commissioner Maxcy withdrew the second. Chairman Flowers stated this issue will be tabled until next week, and advised all members to review the request and contact Mr. Macbeth with any questions or concerns.

E. County Administrator:

1. Request for waiver of Road Policy on Markland Lane

County Administrator, Carl Cool, stated that Staff has been working with the residents of Markland Lane, to obtain easements in order to have the road considered for county maintenance. Staff is requesting the Board to waive the current Board policy regarding right-of-way acquisition on non-maintained roads, and allow the County to do the in-house title searches, prepare legal descriptions, and prepare the necessary documents for the easements to be executed by the landowners, to be presented to the Board for acceptance. Commissioner Bullard expressed concerns about waiving the policy, and inquired, of the Board Attorney, if accepting easements would give the County the rights needed to maintain the road. Ross Macbeth stated that the easements would be acceptable. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye, except Commissioners Bullard and Jackson, who voted nay. Motion carried. See SMB 45 Page 141.

2. Request for road inspections for the Town of Lake Placid

County Administrator, Carl Cool, presented a request from Lake Placid Town Councilwoman Debra Worley, asking the County to work with the Town of Lake Placid in preparing a survey and inventory of all roads that the Town maintains. Mrs. Worley is trying to work towards a more efficient way of maintaining the roads and associated costs. The estimated cost to the County would be under \$2000.00. Motion by Commissioner Bullard, seconded by Commissioner Jackson to provide the Staff time to develop a road inventory and evaluation plan for the Town of Lake Placid. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 142.

3. Request approval of National County Government Week Proclamation

Carl Cool presented the request, and read the proclamation into the record. Motion by Commissioner Maxcy, seconded by Commissioner Bullard to adopt the proclamation, recognizing the week of April 18-24, 2004 as National County Government Week. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 45.

4. Request approval of National Library Week Proclamation

Commissioner Maxcy read the proclamation into the record. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to adopt the Proclamation, recognizing the week of April 18-24, 2004 as National Library Week. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 46.

Engineering Services Manager, Jennifer Good, presented the request to purchase the property located at 3232 Desoto Road, for use in Phase II of the Sebring Parkway, for the amount of \$7800.00. She added that the Board also needs to approve the exemption of an appraisal, since no appraisal was done on the property. Motion by Commissioner Jackson, seconded by Commissioner Bullard to approve the exemption of the appraisal, and the Contract for Sale and Purchase Agreement. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 147.

7. PUBLIC HEARING: Public Hearing to consider adoption of a Resolution closing that

portion of Bonnet Lake Village, a Subdivision lying in Sections 8 and 9, Township 34 South, Range 29 East, as recorded in Plat Book 10, Page 8 of the Public Records of Highlands County, Florida

Proof of Publication was entered into the record. See SMB 45 Page 148. County Engineer, Ramon Gavarrete, presented the request. Motion by Commissioner Bullard, seconded by Commissioner Jackson to approve the Resolution vacating the plat as requested. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 48.

8. PUBLIC HEARING: Public Hearing to consider adoption of a Resolution closing a part of Santa Barbara Avenue lying between Blocks 8 and 11 and lying between Blocks 9 and 10, Lake Letta Estates, Unit 5, according to the Plat thereof as recorded in Plat Book 1, Page 70-B, of the Public Records of Highlands County

Proof of Publication was entered into the record. See SMB 45 Page 149. County Engineer, Ramon Gavarrete, presented the request. Eric Lewis spoke in opposition to the road closing. Motion by Commissioner Stokes, seconded by Commissioner Bullard to adopt the Resolution closing the road. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 49.

9. PUBLIC HEARING: Public Hearing to consider the Vacation Of Plat closing a portion of a Waterway (being a 80 foot right of way), lying between Tract "A" and Block 44 of Leisure Lakes, Section 11, according to the Plat thereof as recorded in Plat Book 7, Page 25, of the Public Records of Highlands County, Florida

Proof of Publication was entered into the record. See SMB 45 Page 150. County Engineer, Ramon Gavarrete, presented the request. Commissioner Bullard expressed concerns about water quality problems created by dead-end canals, and suggested that the County install drainage culverts across the canal prior to any development on the property. Ann Pollard, representing the petitioner, spoke in support of vacating the plat. Commissioner Maxcy questioned the cost of installing the culverts. Mr. Gavarrete stated that Staff would have to design the project, then have Road & Bridge price it. Motion by Commissioner Bullard, seconded by Commissioner Maxcy to adopt the Resolution vacating the plat and accepting the drainage easement from the petitioner. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 50.

10. PUBLIC HEARING: Public Hearing to consider County Ordinance #02-03 pertaining to the small quantity generator of hazardous waste notification and verification surcharge

Proof of Publication was entered into the record. See Proof of Pub Ord. Book 3 Page 57. Board Attorney, Ross Macbeth, read a caption of the Ordinance into the record. This fee is collected by the Tax Collector with occupational license taxes. The ordinance is being amended to allow the fee to subject to a penalty should it not be paid when due. Motion by Commissioner Bullard, seconded by Commissioner Maxcy to adopt the Ordinance as stated. Don Greenhalgh inquired about how a business is determined to be a small

quantity generator. Mr. Macbeth stated that the Regional Planning Council conducts visits with the businesses that generate hazardous waste. Upon roll call, all Commissioners voted aye. Motion carried.

11. PUBLIC HEARING: Public Hearing to consider three zoning changes, one small scale plan amendment, and one county initiated zoning change

Development Services Director, Jim Polatty, presented Proof of Publication for the following hearings. See Proof of Pub. Ord Book 3 Page 58.

HEARING # CPA - 04-247SS - L & S FAMILY, LTD, A FLORIDA LIMITED PARTNERSHIP - C/O ROGER DALE POLSTON, POLSTON ENGINEERING, INC.

Approximately 2.45 acres located West of Lakeview Drive and Northwesterly of County Road 29, Lake Placid, Florida, located in Sec. 8, Twp. 37S, Rge. 30E, Highlands County, Florida.

Requesting a small scale plan amendment from (Medium Density Residential) to (Low Density Residential).

HEARING # 1691 - L & S FAMILY, LTD, A FLORIDA LIMITED PARTNERSHIP - C/O ROGER DALE POLSTON, POLSTON ENGINEERING, INC.

Approximately 2.45 acres located West of Lakeview Drive and Northwesterly of County Road 29, Lake Placid, Florida, located in Sec. 8, Twp. 37S, Rge. 30E, Highlands County, Florida.

Requesting a zoning change from R-1 (Residential district) to EU (Estate district). AND, Approximately 7.06 acres located in Sec. 8, Twp. 37S, Rge. 30E, Highlands County, Florida.

Requesting a zoning change from AU (Agricultural) to EU (Estate district). Applicant desires to construct single family residences.

Development Services Director, Jim Polatty, presented the request to approve the re-zoning and land use change. Dale Polston, representing the petitioner, spoke in support of the request. Commissioner Bullard asked for assurance that nothing would be done to interfere with the free flow of water between Lake Grassy and Lake Huntley. Mr. Polston stated they would not be allowed to alter the flow of the water. Motion by Commissioner Maxcy, seconded by Commissioner Jackson in accordance with the Planning and Zoning Commission, move to approve and adopt by Resolution P&Z Hearing 1691 changing the Zoning Atlas for 7.06 acres from AU (Agricultural district) to EU (Estate district) and 2.45 acres from R-1 (Residential district) to EU (Estate district) and approve CPA-04-247SS amending the Future Land Use Map for 2.45 acres from Medium Density Residential to Low Density Residential, referencing the mandatory findings and transmitting to the Florida Department of Community Affairs (FDCA) for their compliance determination, and upon the small scale amendment becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 51.

HEARING # 1692 - LAKE PLACID HOLDING COMPANY - C/O ROGER DALE POLSTON, POLSTON ENGINEERING, INC.

An approximate 18.58 acres located at the Southeast corner of the intersection of Washington Boulevard N.E. and Jefferson Avenue, Lake Placid, Florida, located in Sec. 14, Twp. 37S, Rge. 29E, Highlands County, Florida.

Requesting a zoning change from B-1 (Neighborhood Business district) to B-3 (Business district). Applicant desires a warehouse, assembly of model airplanes, and etc.

Development Services Director, Jim Polatty, presented the request to approve the re-zoning. A revised Resolution and a Declaration of Covenants and Restrictions were submitted reflecting the deed restrictions offered by the applicant. Dale Polston, representing the applicant, added a statement to the Declaration of Covenants,

listed as Item A-6 under Article II, to read “Other similar contractor services”. He submitted a preliminary site plan to the Board. Board Attorney, Ross Macbeth, questioned the language in Item A-1 under Article II, adding the form of the Declaration of Covenants is not appropriate to be part of the Resolution. He stated a new Declaration would need to be drafted, that would be acceptable and enforceable by the County. Motion by Commissioner Bullard, seconded by Commissioner Stokes, in accordance with the Planning and Zoning Commission, move to approve and adopt by Resolution P&Z Hearing 1692, amending the Zoning Atlas for 18.58 acres from B-1 (Neighborhood Business district) to B-3 (Business district), referencing the mandatory findings, and becoming effect as provided by law, including the revised Resolution, and including Exhibit A, being in a form acceptable to the County Attorney. 12) ACTION

Motion by Commissioner Stokes, seconded by Commissioner Jackson to set action agenda as listed. Upon roll call, all Commissioners voted aye. Motion carried.

A. Board Attorney

Board Attorney, Ross Macbeth, passed out a letter from Bryant, Miller and Olive regarding the conflict of interest waiver for their proposed representation of NRPI. He pointed out a few changes that have been made. Bryant, Miller and Olive has clarified that they do not believe there would any conflict in their representation of the County as bond counsel, and their representation of NRPI. If a conflict arises, they will not represent NRPI. Bryant, Miller and Olive is asking for the Board’s consideration in waiving the conflict of interest. Mr. Macbeth recommended that the Board approve the request. Deputy Clerk, Bob Jamison, questioned if Bryant, Miller and Olive comes back to represent the County, would Sun ‘n Lake Improvement District and NRPI have to submit a waiver of conflict of interest. Mr. Macbeth stated that both are signing the same type of letter as the County. Motion by Commissioner Jackson, seconded by Commissioner Maxcy to waive any conflict of interest, and authorize the Chairman to sign the letter. Upon roll call, all Commissioners voted aye. Motion carried.

B. County Administrator

No action items submitted.

Jamie Sprouse and Gabrielle Nyhan, representing Devereux Foster Care Licensing, presented the Proclamation for approval. Chairman Flowers read the Proclamation into the record. Gabriel Reed spoke in support of the Proclamation. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the request, proclaiming the Month of May 2004 as *Foster Parent Month* in Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 56.

B. Nell Ferwin Hayes, President, Convention & Visitor’s Bureau (CVB) of Highlands County: Update on the CVB and request to accept their financial statement into the

record

Nell Ferwin Hayes, President of the CVB, presented the Board with the CVB's financial statements for the year ended September 30, 2003. She also gave a presentation on the many projects that the CVB has been involved with and upcoming events that are being scheduled for Highlands County. Ms. Hayes introduced the Board of Directors for the CVB, who were present at the meeting. See file for copy.

C. Development Services Director and Curtis DeYoung, Natural Resources Advisory Commission (NRAC) Chairman: Request approval of replacement members to NRAC

Development Services Director, Jim Polatty, presented a request to re-appoint Greg Karlson as a "Development" representative, and appoint Erin McCarta as an "Environmental" representative to the Natural Resources Advisory Commission (NRAC), as recommended by Staff. Hank Kowalski expressed concern about the lack of objectivity among County Staff when reviewing the resumes for the appointments to NRAC. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 45 Page 157.

D. Mia Robertson, Clerk's Director of Compliance & Internal Audit: Financial Report briefings: Sebring Airport Authority, Industrial Development Authority, Sun 'n Lakes of Sebring Improvement District and Salvation Army

Senior Director of Business Services, Bob Jamison, gave a brief introduction about the briefings. Mia Robertson, Director of Compliance and Internal Audit, gave an overhead presentation on the Financial Report briefings for the Sebring Airport Authority (SAA), Industrial Development Authority (IDA), Sun 'n Lakes of Sebring Improvement District and the Salvation Army. Commissioner Bullard questioned the reason for the decrease in operating revenue for the SAA. Mike Carter, of the NCT Group, stated that the SAA recently renegotiated leases with some larger tenants for a decrease in rent, and water revenues are down due to the Racetrack installing their own irrigation, and no longer using SAA water. Mia Robertson noted a declining financial condition for the IDA from the prior year. Commissioner Bullard clarified that the reason for the decline is that the IDA had built up a cash carry forward in the last several years, and was instructed by the Board to use their reserves when the County's budget became tight.

Mia Robertson stated that both the Sun 'n Lakes of Sebring Improvement District and the Salvation Army received a clean audit opinion, and both had marginal changes in their financial condition from the prior year. Commissioner Bullard commended Ms. Robertson and the Clerk's office for their work in preparing these briefings, and keeping the Board and the public informed as to the condition of each agency. Lisa Burley, Director of Administrative Services and Public Affairs for the Sun 'n Lake Improvement District, thanked the Board for the inclusion and invitation to this financial briefing, adding that they look forward to a strong working relationship with the Board in the future.

E. County Engineer: Request approval of Contract, Budget Amendment No. 03-04-182, and Resolution for construction of pre-engineered 35'x80' steel building, Project No. 02066, ITB No. 04-044

County Engineer, Ramon Gavarrete, presented a request to approve the Contract with E.O. Koch Construction Company, along with the corresponding budget amendment and Resolution, for the construction of a pre-engineered steel building, to be built on the property that currently houses the Facilities Management building. He stated that the County has had to vacate the alley on the east side of the property through the City of Sebring,

and is scheduled for the final public hearing on May 18, 2004. Due to expected increases in steel prices, E.O. Koch Construction Company has guaranteed their bid through May 7, 2004. Commissioner Maxcy stated he will have to abstain from voting on this issue due to E.O. Koch Construction Company being a client of his. A Memorandum of Voting Conflict was entered into the record. See SMB 45 Page 158. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye, except Commissioner Maxcy, who abstained. Motion carried. See Res. Book 17 Page 57.

F. Housing Coordinator: Request approval of the Highlands County Local Housing Assistance Plan (LHAP)

Housing Coordinator, Penny Phillippi, presented the request to approve the Highlands County Local Housing Assistance Plan, as recommended by the Affordable Housing Committee. She briefly described each program, and pointed out some changes recommended by the Committee. County Administrator, Carl Cool, suggested some changes in the criteria for the programs, pertaining to the location of homes being in Highlands County. He proposed adding language that would allow homes to be located on roads maintained by city, county and state agencies. Development Services Director, Jim Polatty, stated that the plan could be amended at anytime once adopted by the Board. Commissioner Bullard expressed concerns about expanding the programs out based on a criteria other than income, and asking people to pay back loans, with interest, that were traditionally forgiven. He suggested researching and studying the issues more before adopting the plan. Ms. Phillippi requested to withdraw the plan for approval, to allow Staff and the Affordable Housing Committee time to do more research, and bring the plan back before the Board for approval at a later date.

G. Board Attorney

No report.

H. County Administrator:

5. WORKSHOP: Discussion of a proposed Municipal Services Taxing Unit (MSTU) Referendum for the Highlands County Library System

Mary Myers, County Library Director, discussed a long range plan of service for the library system for 2004 through 2009. A slide presentation was given, outlining the various services that are available, and how those services compare to other counties in the state and the standards set by the Florida Library Services. State standards recommend that 77% to 87% of a library’s budget should be from local sources. Highlands County’s Library system currently operates with 58% of their budget coming from the County’s General Fund. Ms. Myers proposed the idea of establishing a Municipal Services Taxing Unit (MSTU) for the purpose of funding the county library system. County Administrator, Carl Cool, outlined the differences between and MSTU and a Municipal Services Benefit Unit (MSBU), adding that these options are not being proposed for the upcoming budget year. Commissioner Maxcy stated the need to find alternative ways of funding to improve the standards of the library system.

Ms. Myers stated that there are other options for generating additional revenue that can be implemented anytime. The County could start charging user fees for some of the services offered by the library, such as Internet usage, copies, and library cards for non-residents. Florida Statutes state that a public library can not charge for basic library services. The County needs to decide what they consider to be basic library services. Chairman Flowers encouraged Staff to research other counties for the possibility of charging user fees. The Chair opened the floor to the public.

Joan Marrone, John Tallent, and Marilyn Jacobs spoke in support of the library system and charging user fees. Mary Fote and Michael Ruby spoke in opposition to user fees. Ray Napper suggested the possibility of using recreation dollars to fund the library system. Carl Cool stated that some of these funds, which come from the one penny sales tax, already go towards the library for expansion and improvement. Staff was commended for the job they do, and instructed to research the possibility of user fees to generate additional revenue. See file for information.

HEARING # CPA - 04-252SS - CAROLYN J. FISHER - C/O ROGER DALE

POLSTON, POLSTON ENGINEERING, INC.

An approximate 4 acre Parcel at the Southeast corner of S.R. 17 South and Altvater Road, Avon Park, Florida, and legally described as follows: Located in Sec. 6, Twp. 34S, Rge. 29E, Highlands County, Florida. Containing approximately 4.19 acres.

Requesting a small-scale plan amendment from (Low Density Residential) to (Commercial) and (Low Density Residential) to (Medium Density Residential).

HEARING # 1698 - CAROLYN J. FISHER - C/O ROGER DALE POLSTON, POLSTON ENGINEERING, INC.

An approximate 4 acre Parcel at the Southeast corner of S.R. 17 South and Altvater Road, Avon Park, Florida, and legally described as follows: Located in Sec. 6, Twp. 34S, Rge. 29E, Highlands County, Florida. Containing approximately 1.81 acres.

Requesting a zoning change from AU (Agricultural) and M-1-S (Mobile Home and Residential Subdivisions district) to B-3 (Business district). Applicant desires to keep the single family residence and proposed commercial uses are an upholstery shop, warehouses for RV and boat storage, and maybe other retail uses.

Development Services Director, Jim Polatty, presented the request. Dale Polston, representing the petitioner, spoke in support of the request. Carolyn Fisher, petitioner, stated she currently lives on the East portion of the parcel, and is wanting to relocate her upholstery business to the front part of the parcel, fronting S.R. 17. Commissioner Bullard stated that the request is not consistent with the surrounding land use and zoning districts. Mr. Polston stated that M-1-S zoning (Mobile Home and Residential Subdivisions district) allows for one single family residence, adding that the zoning for the part of the parcel that her house is located on could be zoned M-1-S, which would eliminate one the zoning categories. Commissioner Bullard stated that he could support that change, and requested a short recess to allow Staff and the petitioner time to construct a motion that would accomplish the amended request.

Break 10:40 - 10:55 A.M.

Jim Polatty stated the revised motion, changing the zoning from AU and M-1-S to B-3 and B-3 CU, and amending the land use change from (Low Density Residential) to (Commercial) for the B-3 parcels, and (Medium Density Residential) for the M-1-S parcels. The Westerly portion of the B-3 would have deed restrictions, and the other B-3 parcel would have a conditional use, limited to storage and warehouse only. Commissioner Flowers questioned if the applicant would be able to sell of pieces of the property, or would it all have to remain under one ownership. Board Attorney, Ross Macbeth, stated that the applicant would have the option of selling of individual parcels. Mr. Polatty added that the commercial property could be subdivided, if it met the subdivision regulations in zoning.

Motion by Commissioner Stokes, seconded by Commissioner Maxcy, in accordance with the Planning and Zoning Commission and the Local Planning Agency, move to approve and adopt by Resolution P&Z 1698, amending the Zoning Atlas from AU (Agricultural) and M-1-S (Mobile Home and Residential Subdivisions district) to B-3 (Business district), with deed restrictions, limiting uses to the following: upholstery shop, trade shops such as plumber, electrical, and etc., speciality shops such as hobby or craft, antique shop, new and used furniture, sandwich, ice cream, and deli type food stores or professional office, for 1.81 acres on the front or Westerly portion of the B-3 parcel facing C.R. 17 as shown on the P&Z recommendation map and as B-3 CU (Warehouse and Storage only) on the Southern portion of the B-3 Parcel (that portion of the proposed B-3 re-zoning not fronting on CR 17) as shown on the P&Z recommendation map and move to approve and adopt by Ordinance CPA-04-252SS, amending the FLUM from (Low Density Residential) to (Commercial) for the two B-3 parcels containing 1.81 acres more or less and (Low Density Residential) to (Medium Density Residential) for the two M-1-S parcels that contain 2.38 acres, more or less, referencing the mandatory findings, and transmitting to the Florida Department of Community Affairs (FDCA) for their compliance determination, and upon the small scale amendment becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 75.

DISCUSSION TO GIVE STAFF INSTRUCTIONS: LAND USE STUDY OF THE AREA BETWEEN, ALBRITTON ROAD, RANCHERO ROAD, AND US 98

Development Services Director, Jim Polatty, discussed the land use study done on the property between Albritton Road, Ranchoero Road, and U.S. 98, and presented Staff and P&Z recommendations for re-zoning and land use changes. The study area, consisting of 6 parcels, is currently zoned AU (Agriculture) and the land use is I (Industrial). He presented a letter from one of the property owners, Tom Klepinger, requesting that his property remain Agriculture. Commissioner Bullard commended Staff and the people in the neighborhood for producing an example of good land planning. Bob Kajasz and Robert Coto spoke in support of the recommendation. Mr. Polatty stated the Board needs to include in their motion, to instruct Staff to do a county initiated comprehensive plan amendment change, based on P&Z recommendation. He also requested that the Board authorize Staff to refund the fees Mr. Klepinger has paid for changing the comp plan for his property back to AU, should he agree to go along with P&Z recommendations.

Motion by Commissioner Bullard, seconded by Commissioner Stokes, in accordance with the Planning and Zoning Commission and the Local Planning Agency, move to approve the EU land use study alternative and delete the center property (Mr.Klepinger's property - leaving it Agriculture, per the owner's letter request), and extend the length of the EU (Estate district) to the Southern line of the existing B-3 (Business district) that

currently is adjacent to Albritton (Acre) Road and direct staff to prepare a consistency re-zoning and Consistency Comprehensive Plan amendment to implement this action, and authorize Staff to refund the fees to Mr. Klepinger if needed. Upon roll call, all Commissioners voted aye. Motion carried.

A. Chief Frank Mercurio, Chairman, Highlands County Community Traffic Safety Team: Special recognition of CTST Coordinator Renee’ LaDue

Chief Frank Mercurio presented Renee’ LaDue, Coordinator of the Community Traffic Safety Team, a Character Recognition award for *Initiative*, for her work on child passenger safety for the County’s Community Traffic Safety Team.

6. WORKSHOP: Jim Greenwood, Greenwood Consulting: Presentation of Highlands County Incubator Project

John Payne, Chairman of the Incubator Task Force, made a brief introduction of the goals and objectives of the Task Force. Jim Greenwood, of Greenwood Consulting, discussed the project and a feasibility study he conducted on developing a business incubator in Highlands County. After studying several locations, Sebring Airport was chosen as the most favorable location to construct office and manufacturing space for the incubator. The project is feasible for the county, and would promote local economic development. A powerpoint presentation was given describing a business incubator and the benefits it would provide to Highlands County. Mike Willingham, Executive Director of the Sebring Airport Authority, presented a letter endorsing the incubator project. John Shoop, IDA/EDC, discussed the financial aspects of the project. The IDA/EDC is asking for a \$350,000 commitment from the County to go towards the \$2 million proposal, with other funds to come from

Federal grants, and private sector donations. Commissioner Jackson questioned if the County could guarantee the funds as a loan. Mr. Shoop stated that a loan is a feasible option. Louise England, Executive Director of the IDA/EDC, explained the services that will be available through the business incubator. She also presented letters from the University of South Florida Small Business Development Center and the Heartland Workforce Investment Board, offering support and funding for the project.

Commissioner Bullard commended the IDA/EDC for the work that has been put into this project. He asked them to research if a loan from the County, instead of a match, would meet local match provisions of the grant funding. Commissioner Flowers raised concerns about budget issues, and a time frame for when the funds would be needed. County Administrator, Carl Cool, stated the funds could come from the one penny sales tax or the CIP. Commissioner Flowers encouraged the Board to do more homework on this project, and for the IDA/EDC to come back before the Board at the July 6th meeting to determine how to proceed with the project.

9:45 a.m. EXECUTIVE SESSION: Regarding Case No.03-14378 CIV Graham- Gulfstream v. Highlands County Board of County Commissioners

This Executive Session was canceled from today's agenda.

7. ACTION (Cont'd)

A. County Administrator:

1. Request confirmation of Sarah Beth Hopton for the job of Public Information Officer

County Administrator, Carl Cool, presented the request. Assistant County Administrator, Tom Portz, gave some brief background information on Sarah Beth Hopton. Motion by Commissioner Stokes, seconded by Commissioner Jackson to approval of the confirmation of Sarah Beth Hopton for the job of Public Information Officer. Upon roll call, all Commissioners voted aye. Motion carried. The Commissioners congratulated Ms. Hopton on her appointment. Ms. Hopton thanked the Board and Staff for the opportunity, adding that she is looking forward to working for the County. See SMB 46 Page 8.

2. Request approval of a job reclassification

County Administrator, Carl Cool, presented the request to reclassify the position of Administrative Secretary, currently held by Ms. Corine Burgess, to Public Information Assistant. He stated that Ms. Burgess has provided frequent and direct support and back up for the Public Information Officer, and has functioned in the capacity of the Public Information Officer during the recent gap in the position. Motion by Commissioner Maxcy, seconded by Commissioner Bullard to approve the job reclassification as recommended by Staff. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 9.

3. Request approval of agreement with St. Lucie County for inmate housing in Highlands County

County Administrator, Carl Cool, presented the request. Capt. Paul Hinman, detention commander for the Sheriff, stated that the St. Lucie County Jail is currently under construction, to be completed in May 2005, and they are in need of housing for approximately 30 to 50 inmates. Upon approval of the agreement, Highlands County will begin to take inmates from St. Lucie County on June 21, 2004, at a cost of \$40 per day per inmate,

plus medical expenses. Commissioner Maxcy questioned how the daily rate was calculated. Capt. Hinman stated the amount is based on salaries and expenses for housing the inmates. Motion by Commissioner Jackson, seconded by Commissioner Stokes to the agreement with St. Lucie County for inmate housing in Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

4. Request approval to declare Friday June 11th as a County Holiday, if declared a State Holiday by the Governor

County Administrator, Carl Cool, presented a request to declare Friday, June 11th a County Holiday, if declared by the Governor as a State holiday. President Bush has signed an Executive Order declaring Friday as a Federal holiday, to honor the memory of former President Ronald Reagan who passed away over the weekend. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried.

B. Assistant County Administrator: Presentation of Goals and Objectives for the Local Mitigation Plan

6. ACTION AGENDA

Motion by Commissioner Maxcy, seconded by Commissioner Stokes to set action agenda as amended, removing Items 6-C and 6-E from agenda, and adding Item H-3 under County Administrator and Item 2 under Commissioners. Upon roll call, all Commissioners voted aye. Motion carried.

A. Housing Coordinator: Request approval of the 2004-2007 SHIP Local Housing Assistance Plan

Development Services Director, Jim Polatty, presented the request to approve the Local Housing Assistance Plan (LHAP) for the SHIP Program for 2004-2007. He passed out revised copies of the LHAP to the Board, and identified the changes that have been made. Jane Breylinger, Executive Director of Habitat for Humanity, spoke in favor of the LHAP. Motion by Commissioner Bullard, seconded by Commissioner Jackson to approve the Local Housing Assistance Plan as presented. Upon roll call, all Commissioners voted aye. Motion carried. See Housing file.

B. Emergency Operations Director: Presentation of Firefighter I Certificates to Volunteer Firefighters, followed by a brief recess to view Highlands Lakes Fire District's new apparatus

Emergency Operations Director, Tim Eures, along with Chairman Flowers, and Brad Batz, Training Instructor, presented Certificates of Completion of the Firefighter I Class to the following: John Poyner and Dustin Twiggs (Placid Lakes Fire Dept), Adam Hess and Eric Sager (Lake Placid Fire Dept), Allan Merrill (Leisure Lakes Fire Dept), Chief Earl Gray, Renee Joliff, Michael Morse, Craig Lauderback, Scott Smith, and Anthony Sostre (Highlands Lakes Fire Dept), and Donna Goins, Timothy Johnson, and Robert Bullock (Lorida Fire Dept). The Board congratulated the Volunteer Firefighters for their accomplishment, and expressed their appreciation for the volunteers' time and effort they put into the job. Steve Robertson, of West Sebring Fire Department, showed off two trophies that his department recently won in the Florida State Firematics competition.

Break 9:35 - 9:50 A.M.

C. ~~Code Enforcement Officer: Request approval of a Lien on CE 03030140, 3800 Rushlo Street, Sebring~~

D. County Engineer: Request approval of the proposed installation of street lights along Sebring Parkway at the 90 degree turn and at the intersection with Scenic Highway

County Engineer, Ramon Gavarette, presented the request, giving a slide presentation showing the proposed locations for installation of the street lights. The concrete poles will be rented from and installed by Progress Energy. Staff is proposing to install curbs and gutters to protect the light poles. Commissioner Bullard expressed concerns that putting curbs at the outside of the turn could result in more serious crashes. Mr. Gavarette stated that the poles could be re-located further back from the roadway. Commissioner Flowers questioned if aluminum poles could be used instead of concrete poles. Mr. Gavarette stated that it would be an increase in cost for the aluminum poles. Loren Eby spoke in support of the request. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the proposed installation of street lights on Sebring Parkway, upon finalizing plans with Progress Energy and the location of the lights. Upon roll call, all Commissioners voted aye, except Commissioner Bullard, who voted nay. Motion carried. See Sebring Parkway file.

E. ~~Development Services Director: Update on Tax Deed Sales of Conservation Acquisition Lots Project~~

F. Veteran Services Officer: Request approval of Highlands County's participation in Florida's World War II Memorial

Veteran Services Officer, Joseph Dionne, presented the request, and displayed an example of the plaque for Highlands County, with suggestions for the inscription from Staff and the Veteran's Advisory Board. Commissioner Flowers pointed out a typographical error on the plaque. Mr. Dionne advised that there may be some final changes to the plaque. County Administrator, Carl Cool, suggested a minor language change. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to proceed with the memorial plaque, taking into consideration the suggestions made today. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 14.

G. Board Attorney

1. Consideration of a Stipulated Settlement Agreement regarding Case No.03-14378 CIV Graham- Gulfstream v. Highlands County Board of County Commissioners

Board Attorney, Ross Macbeth, presented to the Board, for their consideration, an agreement between the County and Gulfstream Natural Gas Systems, that will have Gulfstream paying the County for a 50-foot easement through the south end of the county landfill property. Ray Napper questioned the proximity of the pipeline to the methane gas production plant. County Administrator, Carl Cool, stated that the pipeline will be located on the southern boundary of the landfill, and the methane gas plant is on the northern boundary. If the pipeline is re-located in the future, it will then be on the northern boundary of the landfill, less than one quarter of a mile from the methane plant, and will be closely monitored. Motion by Commissioner Maxcy, seconded by Commissioner Jackson, to approve the Stipulated Settlement Agreement with Gulfstream Natural Gas Systems. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

2. Request approval of a resolution approving the issuance of Highlands County Industrial Development Authority Industrial Development Revenue Bonds

Board Attorney, Ross Macbeth, presented the resolution for approval, stating that the revenue bonds are for the purpose of financing the acquisition, construction and equipping of a 25,000 square foot manufacturing facility for Amerikan, LLC, to produce plastic nursery containers for the horticultural industry. The property is located in Sebring, and will likely become annexed into the City of Sebring in the near future. Louise England, Executive Director of the Highlands County Economic Development Commission, stated that the City of Sebring is very eager to have the company relocate to Highlands County. Commissioner Bullard expressed concerns about the location of the business and the size of the silos that are to be built on the property. County Administrator, Carl Cool, stated that the City of Sebring has amended their building code to allow for the height of the silos. Commissioner Jackson expressed his confidence in the City of Sebring to take responsibility and do what is right for the City and the County.

Commissioner Jackson made a motion to approve the resolution approving the \$8.5 million bond issue for Amerikan, LLC. Commissioner Maxcy seconded the motion. Ray Napper questioned what is going to be inside the silos. Louise England stated that plastic beads to manufacture the containers will be stored in the silos. Jack Ritchie suggested postponing the vote until further research can be done on the project. Commissioner Maxcy withdrew his second, stating a conflict of interest due to M.E. Gose Construction being a client. A Memorandum of Voting Conflict was entered into the record. See SMB 46 Page 15.

Commissioner Stokes seconded the motion. Upon roll call, all Commissioners voted aye, except Commissioner Bullard, who voted nay, and Commissioner Maxcy, who abstained. Motion carried. See Res. Book 17 Page 82.

H. County Administrator

1. Request approval to name a body of water

County Administrator, Carl Cool, presented the request to name a retention pond in Spring Lake, Lake Tara. This pond is used for recreation by residents of the subdivision. Motion by Commissioner Stokes, seconded by Commissioner Bullard to approve the request as stated. Commissioner Bullard withdrew his second, and asked to get the opinions and suggestions of the homeowners before moving forward with this request. Commissioner Stokes withdrew his first. Chairman Flowers instructed Staff to do more research and get input from the homeowners.

2. Request approval of resolution & budget amendment 03-04-224 decreasing fund 110 & 151 reserve for contingency

County Administrator, Carl Cool, presented the request. Motion by Commissioner Maxcy, seconded by Commissioner Bullard to approve the resolution and budget amendment as presented. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 83.

3. Request approval of budget amendment 03-04-233

County Administrator, Carl Cool, presented the request. Motion by Commissioner Maxcy, seconded by Commissioner Jackson to approve the budget amendment as presented. Upon roll call, all Commissioners voted aye. Motion carried.

Carl Cool reported on a meeting he attended last week in Okeechobee, along with Commissioner Stokes, Corine Burgess, and Lake Placid Town Councilwoman Debra Worley, with the South Florida Water Management District Governing Board.

7. CITIZENS NOT ON AGENDA

Ray Napper made an offer to the County to broadcast the Board meetings on Channel 5, at 9:00 P.M. on Tuesday nights. Chairman Flowers instructed him to meet with Carl Cool to follow up on the offer.

8. COMMISSIONERS

1. Commissioner Stokes: Presentation of a request from the Insurance Committee

Commissioner Stokes reported on the Insurance Committee meeting that was held last week. Blue Cross Blue Shield was the only provider to submit a bid for the county health insurance. They are expecting an approximate 12% increase in premiums. The Insurance Committee is requesting the Board consider accepting Blue Cross Blue Shield as the vendor and advise if there will be additional funding available for the health plan. Fred Carino, Human Resources Director, discussed the options available to the County and employees with the proposed increase. He stated that there is an Insurance Committee meeting scheduled for 2:00 P.M. this afternoon, and the Commissioners are encouraged to attend to give their input. Commissioner Bullard expressed the need for the County to find a way to cover the increase. See SMB 46 Page 16.

2. Commissioner Maxcy: Resolution in opposition to the Additional Homestead Exemption

Commissioner Maxcy read the Resolution into the record. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to adopt the resolution in opposition to the Additional Homestead Exemption. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 84.

Commissioner Maxcy announced that he will attending the Florida Association of Counties Conference next week, and will be absent from the Board meeting next Tuesday.

Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 20.

2. Discussion of proposed joint meeting with South Florida Water Management District and the three municipalities

Carl Cool asked the Commission to consider setting a joint meeting between the South Florida Water Management District Governing Board, the County, and the three municipalities, in order for the Governing Board to introduce themselves and have a general question and answer meeting. He suggested holding the meeting on Tuesday, July 19, 2004 between 6:00 and 8:00 P.M. in the County Commission Chambers. The Commissioners reached a consensus to hold the meeting as scheduled. Mr. Cool stated that the meeting will be publicly noticed. Chairman Flowers suggested having each municipality designate one person to represent them at the meeting.

Carl Cool reported that Santa Rosa County has filed a lawsuit against the State of Florida for passing on costs for

Juvenile Justice to the counties. He stated that the Commissioners might be lobbied to join the case at the Florida Association of Counties Conference this week, but cautioned that they may not want to join until they know for certain that the costs shifts meet the criteria as an unfunded mandate and goes against the Florida Constitution. Board Attorney, Ross Macbeth, has not received a copy of the actual bill yet in order to study it further and make a determination about the lawsuit.

12. COMMISSIONERS

Commissioner Bullard stated that the County is in need of volunteer firefighters, and encouraged any member of the public who is interested in becoming a volunteer firefighter to contact the County Fire Services Department.

6. ACTION AGENDA

Motion by Commissioner Maxcy, seconded by Commissioner Stokes to set action agenda as amended. Upon roll call, all Commissioners voted aye. Motion carried.

A. Mr. Snidow, Military Order of Purple Hearts: Request approval to place a memorial on the courthouse lawn

R. E. Snidow, Commander of Highlands Chapter 601 of the Military Order of Purple Heart, presented a request to place a monument on the Courthouse lawn, honoring combat wounded veterans. He requested help from the County in installing the monument, and added that the location will be left up to the Commissioners' decision. Chairman Flowers stated that the County will offer any help that is needed. Mr. Snidow added that there is also room on the monument for various emblems to be placed by other organizations, for a small fee. Commissioner Bullard questioned if this request has been before the Veterans Advisory Council. Mr. Snidow advised it had not been, but they do have a member of the Order that sits on the Council. Chairman Flowers advised Mr. Snidow that County Staff, along with the Veterans Advisory Council, and the County Veterans Services Officer will contact him to assist in moving forward with this request. See SMB 46 Page 28.

B. J. Corbett Alday, III, : Community Development Block Grant (CDBG): Notice of First Public Hearing

Proof of Publication for this hearing was entered into the record. See SMB 46 Page 29. Development Services Director, Jim Polatty, introduced Don Ridley with Meridian Services Group. Mr. Ridley stated the purpose of this public hearing is to explain the objectives of the Community Development Block Grant, and to outline the categories that the funds may be used for. Staff is requesting to apply for the CDBG funds in the Economic Development category. County Administrator, Carl Cool, questioned if the Economic Development grant could be used for a business incubator project. Mr. Polatty stated that it could be, adding that a funding proposal has been sent to the Economic Development Commission, showing how the incubator would be funded. Gabriel Reed commented on the conditions that have to be met in order for applicants to be eligible for the grants. Mr. Polatty stated that no action is required today, and a second public hearing will be held in two weeks. See Housing file.

C. Development Services Director: Request approval of Land Acquisition Agreement with The Nature Conservancy

Development Services Director, Jim Polatty, presented a recommendation from NRAC to approve the contract with The Nature Conservancy (TNC), and the additional funds being requested by TNC to pay a portion of the salaries of the two (2) existing positions and one (1) new part time position for the land acquisition program. Mike Izzarone, of The Nature Conservancy, gave a brief overview of the land acquisition program, and how it is working. Commissioner Maxcy questioned if the County was receiving any payment for the lots in lieu of taxes. Treasa Handley, Assessment Coordinator, stated that the County has been receiving monies for some of the lots. Commissioner Jackson stated that TNC is doing a good job, and that an increase in the County's contribution is not needed. Commissioner Bullard expressed concerns with land management problems. County Administrator, Carl Cool, requested that TNC focus on the Leisure Lakes area, as there are still private lots scattered about the area, which results in a liability issue for the County. Mr. Izzarone advised that Leisure Lakes is top priority. Commissioner Stokes requested that maps be provided that point out the environmentally sensitive areas. Mr. Polatty stated that Staff will bring back maps to the Board in the near future. Motion by Commissioner Maxcy, seconded by Commissioner Bullard to approve the contract with TNC for funding to pay

a portion of the salaries for the two existing land protection specialists dedicating 100% of their time to the land acquisition project, and one new part time specialist dedicating 50% of their time, with the funds coming from the Conservation Trust Fund. Commissioner Jackson expressed concerns in approving the contract for a two year period, and suggested amending it to a one year contract, with TNC to come back in one year with an update. Commissioner Maxcy amended his motion to accept the one year contract term. Commissioner Bullard amended his second. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

Assessment Coordinator, Treasa Handley, reported on the progress of the assessment refunds being issued to property owners due to the acquisition of lands by the State.

D. Board Attorney

1. Request approval of a Permanent Easement and a Temporary Construction Easement with Gulfstream Natural Gas System, LLC

Board Attorney, Ross Macbeth, presented for approval a Permanent Easement and Temporary Construction Easement with Gulfstream for the installation of a natural gas pipeline across county landfill property. Commissioner Bullard inquired if the Engineering and Solid Waste departments have signed off on these easements. Mr. Macbeth stated the departments have reviewed it and accepted it. Deputy Clerk, Bob Jamison questioned if a bond is required for this construction. Mr. Macbeth stated no bond is required. Motion by Commissioner Jackson, seconded by Commissioner Maxcy to approve the easements as presented. Upon roll call, all Commissioners voted aye. Motion carried.

2. Request approval of Construction Stipulation Agreement with Gulfstream Natural Gas System, LLC

Motion by Commissioner Bullard, seconded by Commissioner Stokes, move to *approve CPA-04-279LS*, amending the FLUM from (Agriculture) to (Low Density Residential) and to *approve P&Z Case # 1725*, a zoning change from AU (Agricultural) to EU (Estate district), including the conveyance of the right of way required by the County's Land Development Regulations at the time of recording of the plat. Upon roll call, all Commissioners voted aye, except Commissioner Maxcy who voted nay. Motion carried. See Res. Book 17 Page 106.

12A) HEARING #CPA-04-276LS - HEARTLAND HOLDINGS CO. LLC

Subject property is located on the north shore of Lake Pythias, adjacent to River Greens Golf Course, and legally described as follows: Approximately 318 acres located in Sec. 2, Twp. 33S, Rge. 28E, Highlands County, Florida.

Request: A large scale plan amendment from (Agriculture) to (Medium Density Residential).

12B) HEARING #1722 - HEARTLAND HOLDINGS CO. LLC

Subject property is located on the north shore of Lake Pythias, adjacent to River Greens Golf Course, and legally described as follows: Approximately 318 acres located in Sec. 2, Twp. 33S, Rge. 28E, Highlands County, Florida.

Request: A zoning change from AU (Agricultural) to R-1 (Residential district). Applicant desires to construct single family dwellings.

Development Services Director, Jim Polatty, presented the request. Staff and P&Z recommended approval of the request, with conditions. Rick Hayes spoke in support of the request, noting additional language to condition #1 from P&Z. County Administrator, Carl Cool, stated that Staff is working to get the permits to replace the culverts under the old railroad bed to allow boat access between Lake Pythias and Lake Damon. Motion by

Commissioner Stokes, seconded by Commissioner Maxcy, in accordance with the recommendation of P&Z, including P&Z's recommended conditions, move to *approve for transmittal to the State of Florida Department of Community Affairs (FDCA) for their compliance determination, Comprehensive Plan Amendment CPA-04-276LS*, amending the FLUM from (Agriculture) to (Medium Density Residential) and *adopt by Resolution P&Z Case # 1722*, a zoning change from AU (Agricultural) to R-1 (Residential district), including the Mandatory Findings in the staff report, and contingent upon plan amendment (CPA-04-276LS) becoming effective as provided by law, and amending condition #1 to read:1] Central potable water and sanitary sewer systems are required for development of this site. All dwelling units constructed on this site shall be required to connect to a central potable water system prior to the issuance of a building permit for the twenty-first (21st) dwelling unit, and all additional dwelling units constructed on the site thereafter shall be required to connect to a central potable water system prior to the issuance of a certificate of occupancy. All dwelling units constructed on this site shall be required to connect to a central sanitary sewer system prior to the issuance of a building permit for the thirty-first (31st) dwelling unit, and all additional dwelling units constructed on this site thereafter shall be required to connect to a central sanitary sewer system prior to the issuance of a certificate of occupancy. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 107.

7A) HEARING #CPA-04-256LS - DAVIS CITRUS MANAGEMENT, INC. - C/O RICK WHIDDEN

Subject property is located on the south shore of Lake Glenada, adjacent to Lake Glenada Mobile Home Park, and legally described as follows: Approximately 40.00 acres located in Sec. 34, Twp. 33S, Rge. 28E, Highlands County, Florida.

Request: A large scale plan amendment from (Agriculture) to (Medium Density Residential).

7B) HEARING #1701 - DAVIS CITRUS MANAGEMENT, INC. - C/O RICK WHIDDEN

Subject property is located on the south shore of Lake Glenada, adjacent to Lake Glenada Mobile Home Park, and legally described as follows: Approximately 40.00 acres located in Sec. 34, Twp. 33S, Rge. 28E, Highlands County, Florida.

Request: A zoning change AU (Agricultural) to R-1A (Residential district). Applicant desires single family residences.

Development Services Director, Jim Polatty, presented the request. Staff and P&Z recommended approval of the request, with conditions. Commissioner Maxcy declared his conflict of interest for this hearing. Rick Whidden commented on the differences between the comprehensive plan and Land Development Regulations requirements for central water and sewer. Mr. Polatty stated that the LDR requirements are more restrictive. Motion by Commissioner Bullard, seconded by Commissioner Stokes, in accordance with the recommendation and including the conditions recommended by the LPA/P&Z, move to *approve for transmittal to the State of Florida Department of Community Affairs (FDCA) for their compliance determination, Comprehensive Plan Amendment CPA-04-256LS*, amending the FLUM from (Agricultural) to (Medium Density Residential) and *adopt by Resolution P&Z Case # 1701*, a zoning change from AU (Agricultural) to R1A (Residential district), including the Mandatory Findings in the staff report, and contingent upon plan amendment (CPA-04-256LS) becoming effective as provided by law, and amending condition # 1 to read: Central potable water and sanitary sewer systems are required for development of this site. All dwelling units constructed on this site shall be required to connect to a central potable water system prior to the issuance of a building permit for the twenty-first (21st) dwelling unit, and all additional dwelling units constructed on the site thereafter shall be required to connect to a central potable water system prior to the issuance of a certificate of occupancy. All dwelling units

constructed on this site shall be required to connect to a central sanitary sewer system prior to the issuance of a building permit for the thirty-first (31st) dwelling unit, and all additional dwelling units constructed on this site thereafter shall be required to connect to a central sanitary sewer system prior to the issuance of a certificate of occupancy, and including the applicant donating one-half of the road right-of-way at the time of platting or at the time the County is able to pave the road, whichever comes first. Upon roll call, all Commissioners voted aye, except Commissioner Maxcy, who abstained. Motion carried. See Res. Book 17 Page 108.

8A) HEARING #CPA-257LS - DAVIS ENTERPRISES, INC. - C/O RICK WHIDDEN

Subject property is located on the west side of SR 17 across from the intersection with Arbuckle Creek Rd., and legally described as follows: Approximately 139.24 acres located in Sec. 18, Twp. 34S, Rge.29E, Highlands County, Florida.

Request: A large scale plan amendment (Agriculture) and (Low Density Residential) to (Medium Density Residential) and (High Density Residential).

8B) HEARING #1702 - DAVIS ENTERPRISES, INC. - C/O RICK WHIDDEN

Subject property is located on the west side of SR 17 across from the intersection with Arbuckle Creek Rd., and legally described as follows: Approximately 139.24 acres located in Sec. 18, Twp. 34S, Rge. 29E, Highlands County, Florida.

Request: A zoning change from AU (Agricultural) and R-1 (Residential district) to R-1A (Residential district) and R-3 (Multiple Dwelling district). Applicant desires single family residences and multiple family housing.

Development Services Director, Jim Polatty, presented the request. P&Z directed Staff to initiate a sector plan for this property and the broader area to determine future traffic needs. He added that the applicant will be required to provide central water and sewer, and donate one-half of the road right-of-way for S.R. 17, Ben Eastman, and Sebring Parkway Phase IV. Joe Davis agreed to donating right-of-way for S.R. 17 and Ben Eastman, but not the right-of-way for the Parkway, because it would run through the middle of his property. County Administrator, Carl Cool, stated that Staff will have results of a traffic study for the area after the first of the year. Mr. Davis suggested approving the comp plan amendment, and tabling the re-zoning at this time until a sector plan can be done for the area. Motion by Commissioner Bullard, seconded by Commissioner Stokes, in accordance with the recommendation and including the conditions recommended by the LPA/P&Z, move to *approve for transmittal to the State of Florida Department of Community Affairs (FDCA) for their compliance determination, Comprehensive Plan Amendment CPA-04-257LS, amending the FLUM from (Agriculture) and (Low Density Residential) to (Medium Density Residential) and (High Density Residential) and table P&Z Case # 1702, including the Mandatory Findings in the staff report, and contingent upon plan amendment (CPA-04-257LS) becoming effective as provided by law, including the waiver of fees for re-application, the road right-of-way dedications agreed to by the applicant, and amending P&Z condition #1 to read: Central potable water and sanitary sewer systems are required for development of this site. All dwelling units constructed on this site shall be required to connect to a central potable water system prior to the issuance of a building permit for the twenty-first (21st) dwelling unit, and all additional dwelling units constructed on the site thereafter shall be required to connect to a central potable water system prior to the issuance of a certificate of occupancy. All dwelling units constructed on this site shall be required to connect to a central sanitary sewer system prior to the issuance of a building permit for the thirty-first (31st) dwelling unit, and all additional dwelling units constructed on this site thereafter shall be required to connect to a central sanitary sewer system prior to the issuance of a certificate of occupancy. Upon roll call, all Commissioners voted aye, except Commissioner Maxcy, who abstained. Motion carried.*

Subject property is located on the northeast corner of Sebring Parkway and Scenic Highway, and legally described as follows: Approximately 15 acres located in Sec. 13, Twp. 34S, Rge. 28E, Highlands County, Florida.

Request: A zoning from AU (Agricultural) to B-3 (Business district). Applicant desires the permitted uses in B-3. Development Services Director, Jim Polatty, presented the request. Staff and P&Z recommended denial of the request. Ben Crosby spoke on behalf of the applicant. *Commissioner Bullard made a motion to deny the request, in accordance with P&Z's recommendations. Motion died for lack of a second.* Commissioner Stokes stated that Commercial zoning could benefit future residents in the area. Board Attorney, Ross Macbeth, stated that it would most likely be a small office complex or gas station. *Commissioner Bullard made a motion again to deny the land use change and zoning change. Motion died for lack of a second.* *Commissioner Jackson made a motion to approve CPA-04-297LS, amending the FLUM from Agriculture to Commercial, and to adopt P&Z Case # 1744, a zoning change from AU (Agriculture) to B-3 (Business*

district). Commissioner Maxcy seconded the motion, but expressed concerns about the entire parcel being zoned commercial. Commissioner Maxcy amended the original motion to reduce the acreage to 5 acres. Amended motion died for lack of a second. Commissioner Bullard stated that Commercial is too intense of a use for the Sebring Parkway. Mr. Crosby stated that the applicant is willing to reduce the request to 8 acres. Commissioner Bullard made a motion to amend the request reducing the zoning to B-2 for the westerly 8 acres. Mr. Crosby stated his client is in agreement with the amendment. Commissioner Stokes seconded the motion. Upon roll call of the amended motion, all Commissioners voted aye, except Commissioner Flowers, who voted nay. Motion carried. Upon roll call of the Original motion, all Commissioners voted aye, except Commissioner Flowers, who voted nay. Motion carried. See Res. Book 17 Page 117.

6. ACTION AGENDA

Motion by Commissioner Maxcy, seconded by Commissioner Stokes to set action agenda as listed. Upon roll call, all Commissioners voted aye. Motion carried.

A. Residents of Cleveland Road: Request approval to replace the current county sidewalks on the following Sebring Shores roads: Cleveland, Gardenview, and Lake Sebring Drive

County Administrator, Carl Cool, reported on a petition that was received from the residents of Sebring Shores, requesting that the sidewalks on the county maintained portions of Cleveland Road, Gardenview Road, and Lake Sebring Drive be replaced. Road & Bridge has submitted a proposal for taking out the old sidewalks and replacing them with sod. Road & Bridge Superintendent, Bruce VanJaarsveld, gave a brief presentation, showing pictures of the sidewalks in the area. The Chair opened the floor to the public. Deanne Gough and Marsha Bush spoke in support of replacing the sidewalks. Commissioner Flowers suggested the possibility of financing the project with the residents to pay for the materials, and the County would supply the labor. He instructed Staff to do more research on the project, and come up with a cost breakdown for what it would cost the residents, and to meet with area residents to determine the amount of interest in the project financing. See SMB 46 Page 47.

B. Howard W. Kuhn: Discussion of his concerns about Lake Istokpoga levels and county spraying procedures.

Howard Kuhn expressed his concerns about the low levels of Lake Istokpoga and the effects that aquatic weed spraying has on the lake.

C. George Puffenburger and Lisa Burley-McGeHee, Sun 'n Lake of Sebring Improvement

District: Request for two representatives on the Recreation and Parks Advisory Committee (RPAC)

George Puffenburger stated that this item was to be pulled from the agenda, and indicated that Sun'n Lake is still interested in being considered in the future for representation on RPAC. He informed the Board that Sun'n Lake also has no further input on the county softball field, and would support the County moving forward with RPAC's request to purchase the Blackman property. See SMB 46 Page 48.

D. Parks & Recreation Director: Request approval of netting at Max Long Complex & approval of Budget Amendment 03-04-279

Parks & Recreation Director, Vicki Pontius, presented the request. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the recommendation from RPAC for safety netting at the Max Long Complex. Upon roll call, all Commissioners voted aye. Motion carried.

E. General Services Director: Request approval of Sun 'n Lake of Sebring's application/letter for conveyance of county owned property located at 4918 Myrtle Beach Drive based on Section 125.38, Florida Statutes

General Services Director, Jed Secory, presented the request. Board Attorney, Ross Macbeth, suggested that the Board reject all of the bids at this time, and keep the lot in the County inventory. He also commented on the letter from the attorney representing Sun State Homes Inc, who had the highest bid on the lot. John McClure, representing the Sun'n Lake Improvement District, stated that the lot is essential for District operations, and would be used for drainage and access for maintenance vehicles. He requested that the Board reject all of the bids, and work with the District for a possible solution. Shay Kern, owner of Sun State Homes Inc., spoke in support of the Board honoring the highest bid. Motion by Commissioner Stokes, seconded by Commissioner Jackson to reject all bids for the property at this time, and keep the lot in the County inventory. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

F. County Engineer: Consideration of ranking of applications for the Florida Department of Transportation (FDOT) Equity Act for the 21st Century (TEA-21) Program

County Administrator, Carl Cool, presented the list of proposed projects for consideration of ranking. He pointed out that landscape improvement only projects are no longer eligible for funding through this program. The following were in attendance to present their projects: Marie Sutherland from the City of Avon Park, Pete Pollard for the City of Sebring, Bert Harris for the Town of Lake Placid, and Lisa Burley for Sun'n Lake of Sebring Improvement District. Commissioner Maxcy stated that a rotation has been followed in the past between the three municipalities. Commissioner Bullard expressed concerns about adding Sun'n Lakes into the rotation this year, and suggested that they consider Sun'n Lakes as a county request. Commissioner Jackson stated the ranking should be based on the greatest need in the County. Carl Cool stated that FDOT will not contract directly with Sun'n Lakes, and if ranked number one, FDOT will contract with the County to fund the Sun'n Lakes project.

Commissioner Bullard made a motion to rank the applications in the following order: (1) Pendarvis Road Bike Path; (2) Sun'n Lakes Pedestrian Safety Linkages; (3) Washington Heights Pedestrian and Bicycle Paths; (4) Southside Street Project; and (5) Repaving of AMTRAK Station Parking Lot. Commissioner Stokes seconded the motion. The Chair opened the floor to the public. William Jackson, Larry Stange, Ray Napper, Joe Eck, and

Mick Grosh spoke in support of Sun'n Lake of Sebring. Robert Saffold and Thomas Bond spoke in support of Washington Heights. Ray Royce and Debra Worley spoke in support of Lake Placid. Upon roll call, Commissioners Bullard and Stokes voted aye, Commissioners Maxcy, Jackson, and Flowers voted nay. Motion failed. Parks and Recreation Director, Vicki Pontius expressed concerns about future maintenance and liability issues that the County will have to face.

Commissioner Bullard made a motion to rank the applications in the following order for submittal to FDOT. Commissioner Stokes seconded the motion.

<u>Priority</u>	<u>Project Name</u>	<u>Project Sponsor</u>	<u>Local Funding Amount</u>	<u>Total Project Cost</u>
<u>1</u>	Pedestrian Safety Linkages To Schools, Beautification And Enhancement	Sun'n Lake of Sebring Improvement District	-0-	\$428,440.00

5. WORKSHOP: Workshop on the status of the Heartland Water Alliance Water Supply Plan
 County Administrator, Carl Cool, gave a brief history of the Heartland Water Alliance. Jeff Spence, Environmental Affairs Officer for the Polk County Board of County Commissioners, gave background information on the Water Supply Plan. Steve Elias, Envisors Project Manager for the Heartland Water Alliance Water Supply Plan, gave a powerpoint presentation, updating the Board on the status of the plan, through Phase I. He pointed out the objectives of the plan, and reviewed a hydrologic water balance that was prepared for the four county area. Commissioner Bullard thanked the presenters for conducting the study and the work that is being done, but expressed the need for more aggressive funding and more technical assistance for these projects from the water management districts. Carl Cool suggested doing a study on the aquifer outflow for Highlands County only. He also reported on a phone conversation he had with Chris Flack from the Governors' office in regards to a letter he sent to the Governor. The letter asked the Governor for a response, that if the voters of Highlands County were to vote in favor of being in one water management district, would it alleviate his concerns or the reason for his veto of the bill. Mr. Flack advised that it would alleviate one of several concerns that the Governor had. Mr. Cool presented a draft of suggested language for the referendum ballot question, adding that the

Supervisor of Elections would need to have a firm decision by August 31st in order to get it on the November ballot. The Board gave a consensus to move forward with the referendum ballot question, and bring it back before the Board for a final decision. Refer to tape for further details.

2. **INVOCATION AND PLEDGE OF ALLEGIANCE**

The meeting opened with a prayer by Chairman Flowers, followed by the Pledge of Allegiance.

3. **Request approval to send relief to Hardee and Desoto Counties using Highlands County crews**
County Administrator, Carl Cool, presented a request, asking for the Board to authorize the County Administrator to send County Staff and equipment, when available, to help Hardee, Desoto, and Charlotte Counties. Motion by Commissioner Bullard, seconded by Commissioner Jackson to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried.

Jerry Miller, representing Progress Energy, stated there are still approximately 1,600 homes still without power. He stated that all of the feeder lines in Highlands County are repaired, and crews are now working in residential areas and in backyards. He encouraged residents to call in power outages, but added that some outages could be due to damage to homes on the customer end of the line. Residents should have a licensed electrician assess and fix the damage if possible, then contact the power company to have the home re-energized.

4. **Request approval to modify the curfew addressed in the Resolution proclaiming a local emergency**

Chairman Flowers stated at the Emergency briefings held yesterday and this morning, law enforcement officials decided that the current curfew of 9 PM till 6 AM could be modified to Midnight to 6 AM until power is back on line or the Sheriff feels comfortable lifting the curfew. Commissioner Maxcy questioned if a curfew was still needed. Carl Cool stated the current curfew is hurting some businesses, and power is still not stable in parts of the county. Board Attorney, Ross Macbeth, added that communications are still not back in full service either. Chairman Flowers read the resolution, modifying the curfew, into the record. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to adopt the Resolution modifying the curfew as stated. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 150.

5. **Other Business**

Louise England, Executive Director of the Economic Development Commission (EDC), gave information on loan assistance programs available from the SBA and the State.

Lee Champaign, Federal Coordinating Officer for FEMA, stated that FEMA is available to provide assistance to Highlands County. A Disaster Resource Center is being set up today at the Agri-Civic Center to provide assistance to individuals and businesses. He advised how the public to contact FEMA to apply for assistance. Commissioner Maxcy questioned if FEMA would provide assistance for mosquito spraying. Mr. Champaign stated that the County may be eligible for assistance if certain requirements are met.

Chairman Flowers expressed his thanks to all County employees and volunteers for all of the hard work and extra effort that has been put into this emergency situation. Carl Cool reported on a \$50,000 donation that was received from the Miccosukee Indian Tribe for disaster relief. Chairman Flowers stated that the Tribe wanted to return the favor after Highlands County provided assistance to them during Hurricane Andrew. Commissioner Bullard suggested channeling the donation to the Children’s Services Foundation Emergency Relief Fund, to bring in FEMA and other agencies to the Children’s Advocacy Center, and coordinate getting the funds disbursed quickly. Ross Macbeth stated that a budget amendment and resolution would need to be passed in order to direct the funds. Rick Helms, OMB Director, stated that the budget amendment and resolution could be passed today. Motion by Commissioner Bullard, seconded by Commissioner Stokes to adopt the resolution and budget amendment to receive and disburse the donation to the Children’s Services Foundation for emergency disaster relief for the victims of Hurricane Charley in Highlands County. Deputy Clerk, Bob Jamison, stated that a check will be issued upon receipt of the budget amendment. Upon roll call, all Commissioners voted aye. Motion carried.

Commissioner Maxcy inquired how long the landfill will be waiving tipping fees for storm debris. Carl Cool stated that the landfill will be open 7 days a week, and fees will be waived for storm related debris only until the clean up is done.

Deputy Clerk, Bob Jamison, reported the Clerk’s office was open this morning in the Government Center and the Courthouse, providing full services to the public.

7. **PUBLIC HEARING:** Public Hearing to consider two zoning changes and one small scale plan amendment, are on the Board of County Commissioners' Agenda for August 24, 2004.

Development Services Director, Jim Polatty, presented Proof of Publication for the following hearings. See Proof of Pub. Ord. Book 3 Page 64.

HEARING #1742 - EUSTUS & NOREEN NELSON - C/O RICK WHIDDEN

Subject property is located on the south side of Sun 'N Lake Blvd, between U.S. 27 and Ponce De Leon, and legally described as follows: Approximately 1.0 acres located in Sec. 10, Twp. 34S, Rge. 28E, Highlands County, Florida.

Request: A zoning change from B-1 (Neighborhood Business district) to B-2 (Limited Business district). Applicant desires to operate medical related uses.

Development Services Director, Jim Polatty, presented the request. Staff and P&Z are recommending approval of the request. Motion by Commissioner Stokes, seconded by Commissioner Maxcy, move to approve and adopt by Resolution P&Z 1742 changing the Zoning Atlas for 1.0 acre from B-1 (Neighborhood Business district) to B-2 (Limited Business district), and after referencing the mandatory findings, becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 153.

NEW BUSINESS: HEARING # CPA-04-308SS - RAZ PROPERTIES, INC. - C/O ROB REED

An approximate 1.82 acre Parcel on the West side of the entrance to Golf Hammock Subdivision, just South of Bogey Street, and legally described as follows: approximately 1.82 acres located in Sec. 34, Twp. 34S, Rge. 28E, Highlands County, Florida.

Request: A small scale plan amendment from (Commercial) to (High Density Residential).

HEARING # 1754 - RAZ PROPERTIES, INC. - C/O ROB REED

An approximate 1.82 acre Parcel on the West side of the entrance to Golf Hammock Subdivision, just South of Bogey Street, and legally described as follows: approximately 3.0 acres located in Sec. 34, Twp. 34S, Rge. 28E, Highlands County, Florida.

Request: A zoning change from B-2 CU (Limited Business district) to R-3 FUD (Multiple Dwelling district with a Flexible Unit Development) and B-2 (Limited Business district). Applicant desires multiple dwelling units and commercial buildings.

Development Services Director, Jim Polatty, presented the request. Staff and P&Z recommended approval of the request. He added that if the Board approves the re-zone, a site plan will also need to be approved. Cliff Rhoades, representing the petitioner, spoke in support of the request. The Chair opened the floor to the public. Flo Cooper, Thomas Wohl, Harry MacDougall, and Richard Morey spoke in opposition to the request. Commissioner Maxcy commented on the uses that could be put on the property without a conditional use. Commissioner Bullard questioned the layout of the exit and entrance roads within the development. Rob Reed, developer of the property, stated the exits were designed to also allow a bike path to connect to Hammock Road. County Engineer, Ramon Gavarrete, stated that a traffic study will have to be done before the development can be approved. Cliff Rhoades stated the owner is willing to offer deed restrictions on the layout for the B-2 portion of the property, prohibiting any retail uses.

Motion by Commissioner Bullard, seconded by Commissioner Stokes, move to recommend approval and adopt by Resolution P&Z 1754, amending the Zoning Atlas from B-2 CU (Limited Business district with a Conditional Use) to R-3 FUD (Multiple Family Dwelling district with a Flexible Unit Development) for 1.82 acres and to B-2 (Limited Business district) for 1.18 acres, and adopt Ordinance CPA-04-308SS, amending the Future Land Use Map from Commercial to High Density Residential for 1.82 acres and, after referencing the mandatory findings, transmit to the Florida Department of Community Affairs (DCA) for their compliance determination, becoming effective as provided by law, providing that what is being approved must conform to the current site plan as presented, and deed restrictions be drafted and executed, upon approval from the Board Attorney, prohibiting retail sales. Board Attorney, Ross Macbeth, added some additional language to the Resolution and Ordinance, amending the effective dates, and amending the restrictions. Upon roll call, all Commissioners voted aye, except Commissioner Flowers who voted nay. Motion carried. See Res. Book 17 Page 154.

Chairman Flowers introduced Congressman Mark Foley who was present at the meeting. Congressman Foley commended the residents of Highlands County for working together and helping each other during their time of crisis after Hurricane Charley. He expressed concerns about the lack of a shelter in Lake Placid, and encouraged the Commission to work with the State and any federal resources available to work towards retrofitting the South Florida Community College Lake Placid campus for a shelter.

8. ACTION

Motion by Commissioner Stokes, seconded by Commissioner Jackson to set action agenda as listed. Upon roll call, all Commissioners voted aye. Motion carried.

A. Board Attorney

No report.

B. County Administrator

1. Approval of Resolution proclaiming a local emergency

County Administrator, Carl Cool, presented the request. Motion by Commissioner Stokes, seconded by Commissioner Maxcy, to approve the Resolution, proclaiming a local state of emergency for Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 155.

2. Discussion of proposed language for referendum ballot question on the water management district issue

Carl Cool presented the proposed language for the referendum ballot question. Commissioner Bullard expressed concern about some of the language, suggesting some minor changes in the wording. Motion by Commissioner Jackson, seconded by Commissioner Stokes to approve the proposed language, with changes as suggested. Chairman Flowers read the proposed language for the public. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 61.

3. Approval of Motions to help obtain grants for assistance for hurricane issues

Carl Cool presented the request to approve the suggested motions in order to help the County obtain grants to address hurricane issues. Board Attorney, Ross Macbeth, suggested some language changes that would require contracts to come back before the Board. Corbett Alday, representing Meridian Services Group, stated they had no problem with the language changes. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 62.

9. COMMISSIONERS

Commissioner Bullard invited the public to attend the Caladium Festival this weekend in Lake Placid, adding that all proceeds from the festival will be used to benefit victims of Hurricane Charley. He also stated that next Tuesday is Election day, and encouraged everyone to vote.

Commissioner Flowers expressed his appreciation for all those who have helped during the aftermath of Hurricane Charley.

2. **INVOCATION AND PLEDGE OF ALLEGIANCE**

The meeting opened with a silent prayer, followed by the Pledge of Allegiance by Vice Chairman Jackson.

3. **Update on Hurricane Frances**

County Administrator, Carl Cool, stated this meeting is being called due to Hurricane Frances, and its possible impact on Highlands County. E-911 Coordinator, Ben Henley, gave a brief update on the Hurricane and what Highlands County can expect over the next few days. Emergency Management Director, Bill Nichols, announced that all public schools and the college will be closed on Friday, and listed all of the shelters that will be open. Emergency information will be broadcast on WWOJ FM 99.1, every hour starting today. Mr. Cool stated that signs have been posted throughout the county letting the public know to tune into the radio station for emergency information. Press releases will also be issued to the local newspapers. He recommended that all County offices and the Courthouse be closed tomorrow. Deputy Clerk, Bob Jamison, stated the Clerk is also recommending that the Courthouse be closed tomorrow. The Board reached a consensus to close all County offices and the Courthouse tomorrow. Landfill tipping fees are still waived for storm debris. Sandbags will be available on Sheriff's Tower Road from 10 AM till 4 PM today. Commissioner Maxcy inquired about potential traffic problems should the county lose power for any length of time. Assistant County Administrator, Tom Portz, stated that the Engineering Department and Traffic Operations are currently working with the Sheriff's Office to put up barricades in some intersections immediately after the storm. Sheriff Godwin stated his office will work to keep roadways as safe as possible. Mr. Cool stated the emergency resolution will give the Sheriff the authority to set a curfew in the unincorporated areas of the county.

4. **Consideration and request for approval of Resolution proclaiming a local emergency**

County Administrator, Carl Cool, read the resolution into the record. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to adopt the resolution proclaiming a local emergency and authorize the Highlands County Sheriff to establish, modify, enforce, and terminate a curfew in the unincorporated areas of Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 158.

6. PUBLIC HEARING: Public Hearing to consider approval to purchase the Blackman property in accordance with the presented Agreement and approve the accompanying Budget Amendment and Resolution

Engineering Services Manager, Jennifer Good, presented the Proof of Publication into the record. See SMB 46 Page 68. County Administrator, Carl Cool, gave a powerpoint presentation, showing the location of the property and briefly pointing out the costs associated with the purchase and development of the property. Commissioner Jackson questioned if the costs involved include the cost to reroute Sheriff’s Tower Road. Mr. Cool stated that

the cost to reroute Sheriff's Tower Road would come from the Sebring Parkway funds. Commissioner Bullard inquired if Staff will apply for grants to help fund this project. Parks and Recreation Director, Vicki Pontius, stated that they will apply for grant funding to offset some of the costs of the project. The Chair opened the floor to the public.

Public input was received from the following in support of the purchase of the property: John Grille, John Shoop, representing RPAC, Ned Hancock, Robert Saffold, and Gabriel Reed. Deputy Clerk, Bob Jamison, inquired about the time line for development of the project. Mr. Cool stated they are estimating 1 to 1 ½ years to completion. He added that since the purchase price is above the average of the two appraisals, Florida State Statutes require a 4 to 1 vote for approval. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the purchase of the Blackman property, and approve the accompanying budget amendment and resolution. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 163 and file for copy.

7. ACTION AGENDA

Motion by Commissioner Stokes, seconded by Commissioner Maxcy to set action agenda as listed. Upon roll call, all Commissioners voted aye. Motion carried.

A. County Administrator

1. Request approval of Budget Amendment 03-04-315, decreasing fund 005 Reserve for Contingency

Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the budget amendment as presented. Upon roll call, all Commissioners voted aye. Motion carried.

2. Consideration and request for approval of Resolution proclaiming a local emergency

County Administrator, Carl Cool, presented the Resolution for approval. Board Attorney, Ross Macbeth, suggested some minor language changes. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the Resolution as amended, proclaiming a local emergency and authorizing the Highlands County Sheriff to establish, modify, enforce, and terminate a curfew in the unincorporated area of Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 164.

County Engineer, Ramon Gavarrete, showed a short video clip of the weather conditions after the hurricane went through Highlands County, as County Staff was repairing traffic signals. Carl Cool gave a brief summary of the storm and its impact on Highlands County.

Carl Cool presented a request for the Board's consideration to grant salaried employees some additional annual leave hours for compensation for extra hours worked during the recent local emergencies. Commissioner Maxcy questioned the additional cost to the County. Mr. Cool stated there would be no additional dollars for the county, only a loss of production. Commissioner Flowers stated that it would be offset by the increase in production during the emergencies. Commissioner Bullard expressed concern about making a decision on this issue today without further study. Commissioner Flowers suggested Staff do more work on the issue and bring it back before the Board at next week's meeting. Deputy Clerk, Bob Jamison, requested some clarification on the issue for the Payroll department, prior to making a decision.

Commissioner Flowers stated there are other issues he would like discussed at next week's meeting dealing with hurricane preparedness and follow-up issues. Carl Cool invited anyone with comments or concerns about hurricane issues to bring them up at next week's meeting. He also suggested holding a post-event briefing tomorrow, to hear any issues that might need to be implemented prior to Hurricane Ivan that is expected to affect Florida next week.

3. Request approval of Budget Amendment 03-04-335, decreasing fund 110 Reserve for Contingency

Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the budget amendment as presented. Upon roll call, all Commissioners voted aye. Motion carried.

8. CITIZENS NOT ON AGENDA

PUBLIC HEARING OF THE BOARD, SEPTEMBER 9, 2004

1. The Public Hearing was called to order at 5:30 P.M. in the Board of County Commission Chambers at 600 S. Commerce Ave., Sebring, Florida, with the following members present:

David Flowers	Carl Cool
Andrew Jackson	Tom Portz
Bob Bullard	J Ross Macbeth
C Guy Maxcy	Ann Roberts
Edgar Stokes	Jodi Giguere

2. **INVOCATION AND PLEDGE OF ALLEGIANCE**

The meeting opened with a prayer by Commissioner Guy Maxcy. The Pledge of Allegiance was led by Chairman David Flowers.

3. **Public Hearing statement read by Chairperson to identify the millage rate and the purpose of the Public Hearing.**

4. **Budget presentation by staff**

County Administrator, Carl Cool, made some opening remarks, and submitted a proposed budget for the County in the amount of \$102,089,034 for FY 2004-2005. He added that all of the constitutional officers are in agreement with the proposed budget. OMB Director, Rick Helms, gave a slide presentation, briefly outlining the proposed budget. He provided the Commissioners with information on the effect that increasing the upper limits of all of the pay grades for county employees that are awarded merit increases would have on the county budget. He stated that increasing the pay grades would impact the budget by approximately \$120,000, and would affect 41 employees. Commissioner Flowers stated that he requested this information because some county employees are maxed out in their pay brackets. Commissioner Maxcy inquired when the last time a study was done on the county's salary base. Mr. Cool stated that it has been about 10 years. He added that another study could be done, and could be included as an additional line item on the final budget to be approved next week. Commissioner Bullard stated that he would rather have the funds go towards upping the pay caps for employees instead of doing a study. No decision was made at this time.

5. **Public Hearing open to public input discussion and comments.**

Selvin McGahee, representing Florida Non-Profit Housing, came before the Board to request additional funding for the Highlands County Housing Authority, to help fund a staff position that would help in developing affordable housing in the county. Commissioner Bullard expressed his opposition to funding the request at this time, due to the lateness of the request and not going through the normal budget process. OMB Director, Rick Helms, stated that this additional funding request was part of their original budget request. Commissioner Maxcy stated that the Board should address this request later in the year. No action was taken at this time.

6. **Motions for adoption of FY 2004-2005 Resolutions**

- A. **Millage Resolution Adoption**

Motion by Commissioner Maxcy, seconded by Commissioner Stokes to adopt Resolution, to set the millage rate

at 9.0 mills as presently contained in the proposed budget for the 2004-2005 fiscal year, exceeding the rolled back rate of 8.5189 mills by 5.65%. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 166.

B. Tentative Budget Resolution

Motion by Commissioner Maxcy, seconded by Commissioner Bullard to adopt Resolution, adopting the tentative budget for the fiscal year 2004-2005 in the sum of \$97,214,623.00 for all funds exclusive of special benefit assessment districts. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 167.

C. Adoption of Special Taxing Districts Assessments & Budget

Motion by Commissioner Bullard, seconded by Commissioner Stokes to adopt Resolution, adopting an assessment for all special benefit assessment districts in the total sum of \$4,874,411.00 which included \$2,871,383.00 in fund balance brought forward from the previous fiscal year. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 168.

2. **INVOCATION AND PLEDGE OF ALLEGIANCE**

The meeting opened with a prayer by Commissioner Bob Bullard. The Pledge of Allegiance was led by Commissioner Edgar Stokes.

3. **Approval of Resolution proclaiming a local emergency**

Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the resolution proclaiming a local emergency. Commissioner Jackson requested that better efforts be put forth to inform the public about curfews that are or will be put in place, adding that there was some confusion among the public as to the curfews that were being put in place with Hurricane Frances. County Administrator, Carl Cool, stated that are still signs in place along the highways informing the public about emergency information and curfews. Public Service Announcements were given on the local radio station, and call takers at EOC had the same information available to the public. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 169.

4. **Consideration of mosquito spraying**

Chairman Flowers suggested rescheduling this item for discussion at next Tuesday's meeting.

5. **Request to consider and approve a proposed Exempt Employee Emergency Duty Pay and Leave Procedure**

County Administrator, Carl Cool, requested that this item be rescheduled for discussion at next Tuesday's meeting. The Board reached a consensus to reschedule this item for next week.

6. **Request approval for the Chairman to continue the Public Hearing scheduled for September 14, 2004 to a date certain in the event the meeting is canceled due to Hurricane Ivan**

Carl Cool stated that a second round of public hearings for land use changes and re-zones are scheduled for next Tuesday's meeting. This request is being made due to the impending threat of Hurricane Ivan. Chairman Flowers stated that the only reason there would not be a meeting next Tuesday is if the Hurricane changes course and threatens the southwest coast of Florida. Board Attorney, Ross Macbeth, stated that no action by the Board is necessary at this time, adding that there is enough time to re-advertise the public hearings.

8. WORKSHOP: John Payne, Incubator Task Force Chairman: Workshop to consider a Small Business Development Center

John Payne, representing the EDC/IDA, gave a powerpoint presentation on developing a Small Business Development Center (SBDC) in Highlands County, summarizing the needs and benefits associated with and SBDC, and the costs of having a business analyst available to serve Highlands, Hardee, and Desoto Counties. Currently, 83% of the position is funded, with the University of South Florida’s Small Business Development Center funding one-half. They are asking the County for \$11,000 annual allocation to help fund the position. Commissioner Maxcy questioned who the person would work under. Mr. Payne advised they would report directly to USF’s SBDC. Irene Hurst, Director of USF’s SBDC, stated that the person would be hired locally. They would be located in Highlands County, and serve Hardee and Desoto Counties when needed. Mr. Payne stated that they would like to have this item included in the County’s 2004-2005 budget. County Administrator, Carl Cool, stated that if the Board is in agreement, Staff could amend the budget to include the request. Commissioner Jackson spoke in support of trying it for one year, but added that he would like to see reports and results from the SBDC. The Board reached a consensus to move this item towards the final budget hearing. See file for copy.

PUBLIC HEARING #CPA-04-307LS-A, COUNTY INITIATED COMPREHENSIVE PLAN TEXT AMENDMENT

Amending FLU Policy 1.3: LAND USE CATEGORIES, DENSITIES AND INTENSITIES, by adding a new land use category to the Future Land Use Element pertaining to an Urban Reserve (UR).

Request: A Comprehensive Plan text amendment that allows reservation of land on the Future Land Use

map.

Development Services Director, Jim Polatty, presented the request. Commissioner Bullard expressed concerns about the land use category, adding that he sees no advantage to property owners to go through the process to have their land use changed to Urban Reserve. County Administrator, Carl Cool, stated that if a land owner chooses to go through the process of obtaining a urban land use, they would have five public hearings to go through to get their land use change. Mr. Polatty stated that P&Z agreed with Staff that this is a worthwhile option for property owners. No action was taken on this hearing by the Board.

PUBLIC HEARING #CPA-04-307LS-B, COUNTY INITIATED COMPREHENSIVE PLAN TEXT AMENDMENT

Amending FLU Policy 1.3: LAND USE CATEGORIES, DENSITIES AND INTENSITIES, pertaining to Accessory Uses within selected land use categories.

Upon roll call, all Commissioners voted aye. Motion carried.

PUBLIC HEARING #CPA-04-307LS-C, COUNTY INITIATED COMPREHENSIVE PLAN TEXT AMENDMENT

Amending FLU Policy 1.3.E.7: COMMERCIAL, providing for commercial residential facilities ranging from permanent full time, transient and time share, including assisted living facilities.

Request: A Comprehensive Plan text amendment allowing commercial residential facilities ranging from permanent full time, transient and time share, including assisted living facilities in the Commercial Future Land Use category.

Development Services Director, Jim Polatty, presented the request. Motion by Commissioner Bullard, seconded by Commissioner Jackson, in accordance with the Local Planning Agency, move to approve transmitting Comprehensive Plan Case # CPA-04-307LS-C to the Florida Department of Community Affairs for their compliance review, referencing the mandatory findings of fact, and becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried.

6. WORKSHOP: To consider a proposed Ordinance restricting the planting of trees near power lines

Chairman Flowers presented the proposed Ordinance, submitted by Gabriel Reed, for discussion and consideration. The ordinance is not being recommended by the County or Staff. Commissioner Stokes, as liaison to the Natural Resources Advisory Commission (NRAC), stated they have looked at tree ordinances in the past, and would like this ordinance to be presented to NRAC before coming before the Board. Gabriel Reed stated the idea of the ordinance is to regulate the planting and maintenance of trees near power lines to prevent future damage and destruction. Chairman Flowers stated the propose ordinance has good points, and requested County

Staff to clean up the ordinance and forward it on to NRAC for review. See SMB 46 Page 77.

7. WORKSHOP: To consider the Capital Improvement Plan (CIP)

County Administrator, Carl Cool, presented a proposed 10 Year Capital Improvement Plan (CIP) for the Board's consideration, along with some changes that have been made. Commissioner Maxcy questioned the cost of new stretchers for EMS. Commissioner Bullard stated his agreement with the CIP and the changes that were made. Mr. Cool stated that if the Board is in agreement, the CIP could be brought back for adoption next week. Chairman Flowers instructed Staff to schedule the adoption for next week's Board meeting. See CIP file.

9. WORKSHOP: To discuss hurricane follow up ideas

Chairman Flowers stated this workshop is being held to discuss hurricane follow-up ideas, adding that there are three (3) specific areas that are to be discussed: pet friendly shelters, salaried employee changes, and mosquito control.

Pet-friendly Shelters

Chairman Flowers stated that he received several calls from people that did not leave their homes during the hurricanes because they did not want to leave their pets behind. County Administrator, Carl Cool, stated that Keith Albritton from Animal Control contacted other larger counties and found that none of them have pet-friendly shelters. The American Red Cross does not want animals in their shelters. During the last hurricane, one woman in Marion County took on the responsibility of taking care of the pets in one of the shelters. In Leon County, in a school used as a shelter, one room was set aside for pets, and the owners were responsible for taking care of the needs of their pet. Mr. Cool stated that more research is needed on the issue, and the County needs to work towards providing more information to the public about area veterinary offices that will shelter pets, and hotels that will allow pets.

Salaried Employees Compensation

Human Resources Director, Fred Carino, stated that Staff has borrowed a policy from Lee County and drafted it to apply to our County's situation, to provide compensation to salaried employees for additional hours worked during emergencies or disasters. He added that the additional compensation would only apply during a declared local state of emergency, and would only affect those salaried employees who worked in excess of 50 hours during the normal work week. County Administrator, Carl Cool, added that the additional compensation would be straight time pay, and there is a good chance that the County could be reimbursed from FEMA for this expense. Commissioner Stokes suggested coming up with some way to recognize employees for their work above and beyond their normal duties during these emergencies. Mr. Cool stated the Mr. Carino has made some suggestions on how to recognize some of these county employees. Commissioner Bullard suggested some language changes to the proposed policy, and questioned if Staff has communicated with the other constitutional officers about possibly making similar changes to their personnel policies. Mr. Cool stated he does intend to meet with the other officers to discuss the issue. Chairman Flowers instructed Staff to make the requested changes to the policy and bring it back before the Board next week. Deputy Clerk, Bob Jamison, questioned if time off or holidays will be factored into the 50 hour requirement, and if the policy will be retroactive. Mr. Carino stated that the policy implies 50 hours of work time, and will apply to future events only. Mr. Cool added that it will have no effect on the hours worked during Hurricanes Charley or Frances, prior to adoption of the policy. Mr. Jamison also requested that Staff use a modified special pay form to identify the actual hours over 50 that an

employee is supposed to get paid for. Mr. Carino stated that he will be willing to work with the Payroll department to modify the payroll transmittal to include the special pay forms.

Mosquito control

County Administrator, Carl Cool, passed out some information about the different types of mosquito control methods available, and a proposal from Clarke Mosquito Control to provide services to Highlands County. He stated that there is a very good chance that the County could receive reimbursement from FEMA for the expenditure. Commissioner Maxcy suggested considering having some type of mosquito control for the people of the County. Commissioner Bullard suggested doing a survey to determine if the citizens of the County would be willing to pay an assessment for mosquito control. Ray Napper expressed concerns about the effects of using mosquito repellent and doing widespread spraying. Chairman Flowers instructed Staff to do more research on the subject, and bring some recommendations back to the Board.

10. ACTION

Motion by Commissioner Stokes, seconded by Commissioner Maxcy to set action agenda as amended, removing Item 10-A from agenda, and adding Item 10-C. Upon roll call, all Commissioners voted aye. Motion carried.

6. PUBLIC HEARING: Request approval of Ordinance for issuance of Water & Sewer Refunding Revenue Note Series 2004

OMB Director, Rick Helms, entered a Proof of Publication for this hearing into the record. See Proof of Pub. Ord. Book 3 Page 66. Duane Draper, Bond Counsel with the law firm of Bryant, Miller, and Olive, stated the ordinance will authorize the issuance of a water and sewer system promissory note in an amount not to exceed \$1.1 million. The purpose of the note is to refinance two existing notes that are scheduled to mature on October 1, 2004. The note will be secured by water and sewer system net revenues, will be non-bank qualified, and will be pre-payable at any time without a penalty. Closing is scheduled for October 1st, and pre-closing is September 30th. Board Attorney, Ross Macbeth, read the caption of the ordinance into the record. Motion by Commissioner Bullard, seconded by Commissioner Maxcy to approve the Ordinance for issuance of Water and Sewer Refunding Revenue Note. Upon roll call, all Commissioners voted aye. Motion carried.

7. ACTION AGENDA

Motion by Commissioner Stokes, seconded by Commissioner Maxcy to set action agenda as amended, with two additional items under County Administrator. Upon roll call, all Commissioners voted aye. Motion carried.

A. County Engineer

1. Monthly report for Courthouse Series 2002 #01099, and Jail Expansion Series 2002 #01100

County Engineer, Ramon Gavarrete, gave an update on the Courthouse Restore/Repair and Corrections Facility

Expansion project. The estimated completion date is November 20, 2004, but could be moved back a few more months due to the recent hurricanes. See file for copy.

2. Request approval of Budget Amendment No. 03-04-350, and Resolution for additional funds for Courthouse Series 2002 #01099, and Jail Expansion Series 2002 Project #01100

County Engineer, Ramon Gavarrete, presented a request to approve a budget amendment and resolution, transferring additional funds from Reserve for Contingency for the Courthouse and Jail Expansion project. Now that the renovation phase of the project has begun, the contractors are encountering some unanticipated problems and expenditures. Commissioner Maxcy suggested the possibility of the contractor reducing some of their fees due to the recent delays from storms. Mr. Gavarrete stated they have done that in the past, and Staff is constantly working with the contractors to minimize the costs of the project. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the budget amendment and resolution as presented. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 180.

B. Lakes Manager: Request for approval of Department of Environmental Protection Agreement for the "Little Lake Jackson Off-Line Alum Injection Stormwater Treatment System" G0094

Lakes Manager, Clell Ford, presented the request. A slide presentation was given summarizing the project. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the agreement with the Department of Environmental Protection for the Little Lake Jackson Off-Line Alum Injection Stormwater Treatment System. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

C. Human Resources Director: Recommendation on Emergency Pay Plan

Human Resources Director, Fred Carino, presented Staff's recommendation for the Emergency Pay Plan. Commissioner Bullard made some suggested language changes. Motion by Commissioner Stokes, seconded by Commissioner Bullard to approve the amendment of the Personnel Rules and Regulations to adopt the policy and procedures for providing Pay for Work during emergencies or disasters as submitted by Staff, and including the suggested language changes. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 80.

D. Board Attorney

No report.

E. County Administrator

1. Request approval of the Recreation & Parks Advisory Committee recommendation & Budget Amendment 03-04-346, for improvements to Donaldson Park and Memorial Field

County Administrator, Carl Cool, presented the request. Motion by Commissioner Bullard, seconded by Commissioner Maxcy to approve the budget amendment for improvements to Donaldson Park and Memorial Field as recommended by the Recreation and Parks Advisory Committee. Upon roll call, all Commissioners voted aye. Motion carried.

2. Recommendation on proposed ten year Capital Improvement Plan

Carl Cool presented the proposed Ten Year Capital Improvement Plan for approval. Commissioner Maxcy questioned when Phase II-B of the Sebring Parkway is scheduled to begin. Mr. Cool stated that the design stage for Phase II is approximately 90% complete, with construction to begin in FY 05-06. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to adopt the Ten Year Capital Improvement Plan as presented. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

3. Recommendation on proposed plan for mosquito control in Highlands County

Carl Cool presented Staff's recommendation for mosquito control in Highlands County, by moving ahead with a two month program of larvacidal treatment and spraying for adult mosquitos that would cost approximately \$250,000. The County has a very good chance of receiving reimbursement from FEMA, which would result in the county only paying out around \$31,250. Frank Clarke, representing Clarke Mosquito Control, briefly described the different methods available. Commissioner Jackson questioned if starting a program at this time of year would be effective. Mr. Clarke stated that, under the current situation, the spraying would have a sizable effect on the mosquito population. Commissioner Stokes expressed concerns about spending the money to start the program this late in the year, and asked where the money would come from. Mr. Cool stated that the money would come from the Contingency Fund, and upon approval, a budget amendment would be approved and Staff would apply with FEMA for reimbursement. Ray Napper spoke in support of a mosquito control program, but urged the County to direct the funds towards larvaciding rather than spraying for adult mosquitos. Jack Ritchie also spoke in support of the program. Don Linton spoke in opposition. Motion by Commissioner Maxcy, seconded by Commissioner Bullard to approve the emergency mosquito control program as recommended by the County Administrator, and approve the budget amendment needed to appropriate the funds as recommended. Upon roll call, all Commissioners voted aye, except Commissioner Jackson, who voted nay. Motion carried. See file for copy.

4. Consideration and request for approval of a Resolution proclaiming a local emergency

Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the Resolution, extending the local state of emergency for Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 181.

5. Report on storm debris removal

Carl Cool gave an update on the removal of storm debris from the County. He stated that about 50% of the debris has been cleared from the unincorporated areas of the County. Commissioner Bullard commended County Staff for their efforts in getting the debris removed.

6. Report on meeting of Unmet Needs Committee

Carl Cool stated that yesterday was the first meeting of the Unmet Needs Committee, which consists of representatives from all agencies that are providers during emergencies. They met to identify and address the unmet needs of the County. The County has applied for funds available through the Governor's office, to be used during emergencies. The United Way of Central Florida was chosen to be the fiscal agent for the county to help get the funds to those that are in need. The committee will meet weekly to try and identify the unmet needs, and develop a long term recovery solution for our County.

8. CITIZENS NOT ON AGENDA

Ray Napper spoke about the amounts of storm debris in the county, and the need to start requiring the two local garbage haulers to do their part in picking up the debris and yard waste.

9. COMMISSIONERS

NEW BUSINESS: HEARING # CPA-04-310SS - TIDWELL CROSS ASSOCIATES, INC. - C/O RICK WHIDDEN

An approximate 3.3 acre Parcel located in The Country Club of Sebring at the Northeast corner of Vaughn Road and Haw Branch Road, and legally described as follows: Approximately 3.29 acres located in Sec. 9, Twp. 35S, Rge. 28E, Highlands County, Florida.

Request: A small scale plan amendment from (Agriculture) to (High Density Residential).

NEW BUSINESS: HEARING # 1756 - TIDWELL CROSS ASSOCIATES, INC. - C/O RICK WHIDDEN

An approximate 3.3 acre Parcel located in The Country Club of Sebring at the Northeast corner of Vaughn Road

and Haw Branch Road, and legally described as follows: Approximately 3.29 acres located in Sec. 9, Twp. 35S, Rge. 28E, Highlands County, Florida.

Request: A zoning change from AU (Agricultural) and R-3 FUD to R-3 FUD. Applicant desires to construct a four-plex.

Development Services Director, Jim Polatty, presented the request. He stated a citizen suggested that a buffer was required on the property when the land was re-zoned before. Commissioner Bullard made a motion to approve the re-zone and land use changes as recommended. Commissioner Stokes seconded the motion. Commissioner Maxcy stated that he received a phone call from a resident inquiring about a buffer on the property. Mr. Polatty stated that this hearing could be put on hold to allow Staff time to research the minutes from the previous re-zone hearing. Commissioner Bullard withdrew his motion. Commissioner Stokes withdrew his second. Chairman Flowers put this hearing on hold, and will come back to it when Staff has further information.

HEARING #CPA-04-311SS - THE VIRGINIA FRYMAN TRUST - C/O W. R. CAUTHAN, P.E.

An approximate 5.38 acre Parcel located on the East side of U.S. 27 at the intersection of Thunderbird Road, and legally described as follows: Approximately 5.38 acres located in Sec. 23, Twp. 34S, Rge. 28E, Highlands County, Florida.

Request: A small scale plan amendment from (Medium Density Residential) to (Commercial).

HEARING #1757 - THE VIRGINIA FRYMAN TRUST - C/O W. R. CAUTHAN, P.E.

An approximate 5.38 acre Parcel located on the East side of U.S. 27 at the intersection of Thunderbird Road, and legally described as follows: Approximately 5.38 acres located in Sec. 23, Twp. 34S, Rge. 28E, Highlands County, Florida.

Request: A zoning change from R-2 (Two-Family Dwelling district) to B-3 (Business district). Applicant desires a Lowe's Home Improvement Center.

Development Services Director, Jim Polatty, presented the request. Ron Cauthan, representing the applicant, briefly described the project. He added that the City of Sebring has committed to provide water and sewer services to the property. Motion by Commissioner Stokes, seconded by Commissioner Maxcy, in accordance with the recommendations of the Planning and Zoning Commission and Local Planning Agency, move to approve and adopt by Resolution P&Z 1757 changing the Zoning Atlas for 5.38 acres from R-2 (Two-Family Dwelling district) to B-3 (Business district) and adopt by Ordinance CPA-04-311SS amending the Future Land Use Map for 5.38 acres from Medium Density Residential to Commercial, referencing the mandatory findings and transmitting to the Florida Department of Community Affairs (FDCA) for their compliance determination, and upon the small scale amendment becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 189.

HEARING # CPA-04-309SS - LYNDA BERLINE PERSONAL REPRESENTATIVE OF ANNIE PARDEE - C/O MARK CAPPO

An approximate 5.2 acre Parcel located on the West side of U.S. 27 at the Polk County line, and legally described as follows: located in Sec. 4, Twp. 33S, Rge. 28E, Highlands County, Florida.

Request: A small scale plan amendment from (Agriculture) to (Commercial).

HEARING # 1758 - LYNDA BERLINE PERSONAL REPRESENTATIVE OF ANNIE PARDEE - C/O MARK CAPPO

An approximate 5.2 acre Parcel located on the West side of U.S. 27 at the Polk County line, and legally described as follows: located in Sec. 4, Twp. 33S, Rge. 28E, Highlands County, Florida.

Request: A zoning change from CG-1 (Campground district) to B-3 (Business district). Applicant desires aluminum supplies and retail.

Development Services Director, Jim Polatty, presented the request. Mark Cappo, representing the applicant, spoke in support of the request. Commissioner Bullard questioned why P&Z excluded the conditions cited in the Staff report in their motion. Mr. Polatty stated that the conditions go along with the small scale plan amendment, and P&Z did not agree with the conditions. The applicant is in agreement with the conditions recommended by Staff. Motion by Commissioner Bullard, seconded by Commissioner Jackson, in accordance with the recommendations of the Planning and Zoning Commission and Local Planning Agency, move to approve and adopt by Resolution P&Z 1758 changing the Zoning Atlas for 5.2 acres from CG-1 (Campground district) to B-3 (Business district) and adopt by Ordinance CPA-04-309SS amending the Future Land Use Map for 5.2 acres from Agriculture to Commercial, including the conditions cited in the Staff report, referencing the mandatory findings and transmitting to the Florida Department of Community Affairs (FDCA) for their compliance determination, and upon the small scale amendment becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 190.

HEARING #1760 - JOHN HAVILAND - C/O RICK WHIDDEN

An approximate 4.4 acre Parcel located in The Country Club Of Sebring, Northwest of the tennis courts, and legally described as follows: Located in Sec. 9, Twp. 35S, Rge. 28E, Highlands County, Florida. Containing approximately 4.398 acres.

Request: A zoning change from R-3 FUD (Multiple Dwelling district with a Flexible Unit Development) to R-3 FUD (Multiple Dwelling district with a Flexible Unit Development). Applicant desires to construct a duplex and tri-plexes.

Development Services Director, Jim Polatty, presented the request. Commissioner Bullard questioned what the difference is between the old zoning and the request. Rick Whidden, representing the applicant, stated the difference is in the density and setbacks on the property. Motion by Commissioner Jackson, seconded by Commissioner Stokes, in accordance with the recommendations of the Planning and Zoning Commission, move to approve and adopt by Resolution P&Z 1760 changing the Zoning Atlas for 4.4 acres from R-3 (Multiple Dwelling district with Flexible Unit Development) to R-3 (Multiple Dwelling district with Flexible Unit Development), referencing the mandatory findings, becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 191.

HEARING #CPA-04-313SS - LIONEL LAGROW - C/O JAMES E. TOMPKINS, ATTORNEY

Approximately 3.5 acres located at the North end of Windy Point Road on the West shore of Lake Istokpoga, and legally described as follows: located in Sec. 34, Twp. 36S, Rge. 30E, Highlands County, Florida. Containing approximately 3.5 acres.

Request: A small scale plan amendment from (Agriculture) to (Medium Density Residential).

HEARING #1761 - LIONEL LAGROW - C/O JAMES E. TOMPKINS, ATTORNEY

Approximately 3.5 acres located at the North end of Windy Point Road on the West shore of Lake Istokpoga, and legally described as follows: located in Sec. 34, Twp. 36S, Rge. 30E, Highlands County, Florida. Containing approximately 3.5 acres.

Request: A zoning change from AU (Agricultural) to R-1 (Residential district). Applicant desires to construct single family dwellings.

Development Services Director, Jim Polatty, presented the request. Motion by Commissioner Stokes, seconded by Commissioner Maxcy, in accordance with the recommendations of the Planning and Zoning Commission and Local Planning Agency, move to approve and adopt by Resolution P&Z 1761 changing the Zoning Atlas for 3.5 acres from AU (Agricultural district) to R-1 (Residential district) and adopt by Ordinance CPA-04-313SS amending the Future Land Use Map for 3.5 acres from Agriculture to Medium Density Residential, referencing the mandatory findings and transmitting to the Florida Department of Community Affairs (FDCA) for their compliance determination, and upon the small scale amendment becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 192.

Resuming Hearing # CPA-04-310SS and Hearing #1756:

Jim Polatty stated that Staff researched the minutes from P&Z hearings for this property. No minutes were found indicating a requirement for a buffer on the site. Motion by Commissioner Bullard, seconded by Commissioner Stokes, in accordance with the recommendations of the Planning and Zoning Commission and Local Planning Agency, move to approve and adopt by Resolution P&Z 1756 changing the Zoning Atlas for 3.3 acres from AU (Agriculture) and R-3 FUD (Multiple Family Dwelling district with Flexible Unit Development) to R-3 FUD (Multiple Family Dwelling district with Flexible Unit Development) and adopt by Ordinance CPA-04-310SS amending the Future Land Use Map for 1.83 acres from Agriculture to High Density Residential, referencing the mandatory findings, and transmitting to the Florida Department of Community Affairs (FDCA) for their compliance determination, and upon the small scale amendment becoming effective as provided by law. Carl Wilburn and Rob Livingston commented on the need for a buffer and restricting access into the development off Vaughn Road. Bill Cross, developer of the property, stated that access will be restricted to the development. Commissioner Bullard amended his motion to include the following two conditions: (1) requiring a vegetative buffer, and (2) limiting access off Vaughn Road. Commissioner Stokes accepted the amended motion. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 188.

Proof of Publication for following three hearings was entered into the record. See SMB 46 Page 85.

5. WORKSHOP: Workshop on County Administrator Ordinance

County Administrator, Carl Cool, stated that Staff is considering amending the County Ordinance that sets forth the office of the County Administrator. He presented a proposed draft of the ordinance, with amendments, for discussion. Commissioner Jackson requested clarification on the time limit for notice of termination. Board Attorney, Ross Macbeth, stated that wording came from the Florida Statutes, and there is no time limit set forth. Commissioner Bullard questioned the designation of the budget officer. Deputy Clerk, Bob Jamison, questioned if it would comply with state statutes to include in the ordinance that the budget officer would be the County Administrator or his designee. Mr. Macbeth stated that Florida Statutes state the Board designates the budget officer. The Chair opened the floor to the public. Preston Colby commented on the time limit for a hearing request, and suggested some language changes. Mr. Macbeth stated that a public hearing will need to be scheduled for adoption of the ordinance, adding that another workshop could be held for further discussion. Staff was directed to review the ordinance, making the changes as recommended, and bringing it back before the Board for adoption. See tape for further detail. See file for copy.

6. WORKSHOP: Workshop on Solid Waste Collection Contracts

County Administrator, Carl Cool, gave a background summary on the solid waste contracts the County has with the two garbage haulers, Reliable Sanitation and Florida Recycling Services. He reported on a letter received from Reliable Sanitation, expressing an interest in renewing their contract with the County for an additional five years, but would not be able to do so without a cost increase. He stated that Florida Recycling would be willing to do collection for all of Highlands County at their current rate. The Board could negotiate with Reliable Sanitation, negotiate with Florida Recycling for a countywide contract, or put out for bids for the area currently covered by Reliable Sanitation. Solid Waste Director, Jerry Leszkiewicz, gave a list of the advantages and disadvantages of having one or two garbage companies in the county. After checking with other counties who have only one garbage hauler, he is recommending Highlands County stay with two haulers. Commissioner Bullard complimented both of the companies for

the tremendous job they do in serving the citizens of Highlands County. He spoke in opposition to negotiating with Reliable Sanitation at a higher rate, and suggested the County go out for bids, and allow both companies to bid, along with any other companies that are interested. Terry Collier, General Manager for Reliable Sanitation, stated his company would welcome the opportunity to negotiate with the County, if possible, or bid on the contract. Commissioner Jackson expressed his agreement with Commissioner Bullard. Mr. Cool stated that the Board needs to try to negotiate with Reliable before putting their contract out to bid. The Board reached a consensus to proceed with negotiations with Reliable Sanitation, and bring it back before the Board for approval. See tape for further details. See file for copy.

Break 10:53 - 11:03 A.M.

7. ACTION:

Motion by Commissioner Jackson, seconded by Commissioner Stokes to set action agenda as listed. Upon roll call, all Commissioners voted aye. Motion carried.

6. ACTION AGENDA

Motion by Commissioner Stokes, seconded by Commissioner Maxcy to set action agenda as amended, adding Items 4 and 5 under County Administrator. Upon roll call, all Commissioners voted aye. Motion carried.

A. Gabriel Reed: Request approval of a Proclamation to announce November as Highlands County Mentor/Tutor Program Month

Gabriel Reed, chairman of the Highlands County Mentor/Tutor Program, presented the request. Commissioner Bullard read the Proclamation into the record. Motion by Commissioner Bullard, seconded by Commissioner Stokes to adopt the Proclamation, declaring November as Highlands County Mentor/Tutor Program Month, and the week of November 19th, 2004 as Highlands County Mentor/Tutor Week. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 205.

B. Joseph Dionne, Veterans Service's Officer: Request approval of Appointment of New Veteran Services Advisory Board Members

Veterans Services Officer, Joseph Dionne, presented the request. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the appointments of Harold Linville, Herbert Wilson, and William Droddy to the Veterans Services Advisory Board. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 97.

C. Bruce Van Jaarsveld, Road and Bridge Superintendent: Request approval of 05/06 Resurfacing List

Road & Bridge Superintendent, Bruce Van Jaarsveld, presented the request. He stated in the past, the County resurfaced approximately 30 miles of roads. However, due to the rising costs of asphalt, Staff is only proposing to resurface about 19 miles of roads in FY 05/06. Commissioner Jackson inquired about the costs associated with resurfacing and reconstructing roads. County Administrator, Carl Cool, stated the funding for road construction comes from gas taxes, which is a flat amount that does not go up with the price of gas. The cost to do the work is going up at the same rate the gas prices are going up. The State has not authorized the Counties to index their gas taxes yet. Richard Conover questioned why some roads that only have one or two homes on them are being resurfaced. Chairman Flowers stated that one factor for determining which roads get resurfaced is the amount of traffic volume on the road. Motion by Commissioner Stokes, seconded by Commissioner Jackson to approve the Road Resurfacing list for FY 05/06 as presented. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 98.

D. 10 AM - Charles Bryan, Tax Collector: Tax Collector Presentation

Myrna Spencer and Maryann Wolpert, from the Highlands County Tax Collectors Office, gave a powerpoint presentation on the Tax Collector's Office, and the services they provide to the County. She stated that the Tax Collector's Office will be returning approximately \$538,000 of unspent budget funds to the Board.

1. Request approval of Waiver of Landfill Tipping Fee for the Sebring U.S. Sport Aviation Expo

County Administrator, Carl Cool, presented the request. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to waive the Landfill tipping fees for the Sebring Airport Authority for the Sebring U.S. Sport Aviation Expo. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 99.

2. Request approval to Delay Increase in EMS Rates for Sebring International Raceway

Carl Cool stated that the County's new budget has an increase in EMS fees for the EMS crews standby. In a letter from the Sebring International Raceway, Tres Stephenson, President and General Manager, stated that he was not informed of the increase early enough to make any adjustments to his budget, and is requesting a delay in the increase for the Raceway until after the first of the year, to allow time to adjust his rates. Motion by Commissioner Jackson, seconded by Commissioner Bullard to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 100.

3. Request approval of Resolution declaring a local state of emergency

Carl Cool presented the request to consider a Resolution continuing a local state of emergency in Highlands County. He stated that debris removal continues on county roadways and non-county

maintained roadways. Commissioner Stokes suggested continuing the cleanup through November 15th. Jack Ritchie and Don Linton spoke in support of the resolution. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the resolution, extending the local state of emergency in Highlands County, and continuing the debris cleanup on non-county maintained roads through November 15th. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 206.

4. Discussion on RFP for selection of new County Administrator

Carl Cool presented this item for discussion to consider issuing a Request for Proposal (RFP) to hire a firm for the selection of a new County Administrator. He stated that if the Board chooses to do an RFP, they can begin the process now, or wait until the new Board is seated at the end of November. Commissioner Bullard spoke in support of beginning the RFP process as soon as possible. Commissioner Maxcy also spoke in support of issuing an RFP, but suggested letting Staff do the selection process in-house. The Board reached a consensus to instruct Staff to move forward with the RFP process. Mr. Cool stated he would get copies of RFP's from other local agencies to use as a model to draft one appropriate for the County. Commissioner Flowers suggested also checking with the Florida Association of Counties for a copy. Mr. Cool added that Staff would draft an RFP and bring it back before the Board for approval.

7. CITIZENS NOT ON THE AGENDA

Richard Conover stated that Consent Agenda Item 5-N should have come before the Building Use Committee. He added that the committee has not had a meeting in over 2 years, and stated that if it is not going to be used, they should dissolve it. Commissioner Stokes stated he had a good point. Staff was instructed to come back with a recommendation to either dissolve the committee or more clearly define its role.

8. COMMISSIONERS

Commissioner Bullard encouraged the public to vote, and reminded them that early voting is going on in the Government Center. He also encouraged the local news media to put emphasis on the water management referendum that is on the ballot.

F. County Administrator

1. Consideration and request for approval of a Resolution proclaiming a local emergency

County Administrator, Carl Cool, presented the request. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the Resolution, extending the local state of emergency for Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 217.

2. Request approval of waiver of Landfill Tipping fees for Acceptance of Waste Tire Tread Shavings from the Pride Tire Recap Plant at the Avon Park Correctional Institute

County Administrator, Carl Cool, presented the request from the Solid Waste Department, to waive the landfill tipping fees for the Avon Park Correctional Institute, for the acceptance of waste tire tread shavings from the Pride Tire Recap plant. Gabriel Reed spoke in support of the request. Motion by Commissioner Stokes, seconded by Commissioner Jackson to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 113.

3. Discussion about RFP for the Consultant for Executive Recruitment of County Administrator

County Administrator, Carl Cool, presented a proposed draft for the Board's consideration, of a Request for Proposal (RFP) for the executive recruitment of a County Administrator. Commissioner Maxcy stated his is not convinced that the County needs to go with an outside firm, and suggested the possibility of hiring Mr. Cool, on a consultant basis, to help run the county. Commissioner Flowers stated he would prefer to have a full board present before making any decisions on this issue. Commissioner Stokes made a motion to approve the draft and concept as presented, but not to send it out yet. Commissioner Jackson seconded the motion, stating the importance of moving along with this. Deputy Clerk, Bob Jamison, suggested making the RFP more generic, so it can be applied to more than just the County Administrators' position. The motion was amended to include language changes to make the RFP more generic. Upon roll call of the amended motion, all Commissioners voted aye. Motion carried. See file for copy.

4. Request for direction on Payment of Department of Juvenile Justice Invoice

County Administrator, Carl Cool, reported on a letter received from the Department of Juvenile Justice (DJJ), requesting payment for the Juvenile Detention cost shifts that were passed down to the Counties from the State. The letter gives the counties 15 days to pay the invoice. The Florida Association of Counties is in litigation with the state, claiming that the legislation that was passed last year shifting costs to the counties is unconstitutional. A hearing is scheduled for November 9, 2004, less that two days after the deadline. The FAC has also filed an injunction to prevent the law from being enforced while the matter is in litigation. Board Attorney, Ross Macbeth, stated the County is obligated to pay by Florida Statutes until a court rules the law unconstitutional. He suggested paying the bill under protest. If Highlands County does not pay, then DJJ could withhold the counties' revenue sharing funds until the bill is paid. Commissioner Stokes made a motion to pay the DJJ costs under protest. Commissioner Jackson seconded the motion, but stated he would rather see the County pay it after the hearing if possible. Deputy Clerk, Bob Jamison, stated if the payables department has the bill, it will be paid today. If not, then it will be paid next week. Mr. Cool suggested tabling the issue, and bring it back for a decision in two weeks, to allow time for a court ruling. Commissioner Stokes made a motion to table the original motion. Commissioner Jackson seconded the motion. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 114.

D. Presentation from FEMA to the Board of County Commissioners

Helen McKinney, of the Highlands County Building Department, introduced Todd Davidson, representing the Federal Emergency Management Agency (FEMA). He reported that Highlands County has received a Class 8 Community Rating, which is the Flood Insurance Program's way of rewarding communities for achieving levels above and beyond the minimum requirements. This program also rewards homeowners by giving rate reductions for flood insurance. He presented the Board with a plaque recognizing Highlands County for participating in the National Flood Insurance Program Community Rating System. Development Services Director, Jim Polatty, recognized Helen McKinney for the outstanding job that she does in working on the community rating system and keeping it updated.

5. Request approval of Interlocal Agreement with the City of Avon Park for Donaldson Park and Memorial Park

County Administrator, Carl Cool, presented the Interlocal Agreement for approval. Motion by Commissioner Jackson, seconded by Commissioner Stokes to approve the Interlocal Agreement with the City of Avon Park, to provide funding for Donaldson Park and Memorial Park. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

5. WORKSHOP: Workshop on Placid Water/Wastewater Systems and Highway Park Water System Expansions.

County Engineer, Ramon Gavarrete, presented some discussion items concerning the future expansion of the Placid Lakes Water & Wastewater System and the Highway Park Water System. He presented three options to the Board to consider regarding how the County should negotiate, fund and proceed with any future expansions to the utility systems. With developers requiring extensions of the water and sewer lines, Staff is considering installing larger lines to accommodate future development, but needs direction from the Board on how to negotiate who should pay for the difference in the construction costs. A water line will be installed in Lake Placid along U.S. 27 from the Highway Park system to Lake McCoy to accommodate a housing development. Another line will be installed along U.S. 27 at Cemetery Road for a medical complex. Staff is wanting to install twelve inch lines to accommodate future developments. The developers are wanting smaller lines. Commissioner Bullard spoke in support of the expansion, but stated that it would be unfair to require the developers to pay additional costs for future expansions. Commissioner Stokes commended Engineering Staff for looking ahead and planning for the future. Commissioner Maxcy commented on extending lines for residential hookups and who would pay the costs. Mr. Gavarrete stated the County does not have an ordinance requiring mandatory hookups. Commissioners favored the option of entering into an agreement with the developers, collecting the impact fees and construction costs, and creating an assessment so the developer can recoup some of their costs. Commissioner Bullard suggested Staff draft an ordinance that would enact the option, and leave some flexibility for individual cases. Gabriel Reed questioned if this option is related to the Central Sewer Study Committee’s recommendations. Commissioner Bullard stated they were a direct response to those recommendations. Harold Owen spoke in support of an ordinance requiring mandatory hookups. Staff was directed to prepare an ordinance containing the elements of the option discussed, for both developments and installing lines down residential streets.

6. ACTION AGENDA

Motion by Commissioner Maxcy, seconded by Commissioners Stokes, to set action agenda as amended, with addition of items under County Administrator. Upon roll call, all Commissioners voted aye. Motion carried.

Break 10:15 - 10:25 A.M.

A. Pamela Cross, Clerk's Finance Office: Presentation of Unadjusted Fiscal Year-End Financial Report of Key Operating Performance Measures as of September 30, 2004.

Senior Director of Business Services, Bob Jamison, and Finance Officer, Pam Cross, presented the Unadjusted Fiscal Year-End Financial Report of Key Operating Performance Measures for the Board of County Commissioners as of September 30, 2004. An Interim Financial Report of EMS Operating Performance Measures was also given. See Clerk's Financial Reporting file.

B. Board Attorney

No report.

C. County Administrator:

1. Consideration and request for approval of a Resolution proclaiming a local emergency

County Administrator, Carl Cool, presented the request. Motion by Commissioner Bullard, seconded by Commissioner Maxcy to adopt the resolution extending the local state of emergency for Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 219.

2. Request from Charles Erwin to waive a returned check fee.

County Administrator, Carl Cool, presented a request from Charles Erwin to waive a returned check fee. Mr. Erwin obtained a building permit in August 2004, but was not aware that his check had been returned by the bank unpaid. Because of the Board's policy, Staff is recommending the Board not waive the fee. The Board reached a consensus to abide by County policy and not approve the request. See SMB 46 Page 116.

3. Proposed Facility Use Agreement

Carl Cool stated that the Federal Emergency Management Agency (FEMA) has been using the Agri-Civic Center as a Disaster Recovery Center since the hurricanes. He presented a proposed Facility Use Agreement with FEMA for approval. Staff is recommending approval of the agreement and the acceptance of payment in the Tax Collector's office from FEMA with a credit card. Motion by Commissioner Stokes, seconded by Commissioner Bullard to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried.

4. Proposed Agreement for Florida Disaster Relief Funding

Carl Cool presented a proposed agreement between the State of Florida Department of Community Affairs and Highlands County Board of County Commissioners, to provide for funding reimbursements to the County for dollars spent during the recent hurricanes. Motion by Commissioner Stokes, seconded by Commissioner Jackson to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried.

5. Discussion on Debris removal

Carl Cool stated that the November 15th deadline for putting storm debris by the roadways for pickup is acceptable to county residents, but they are asking that the waiver of the tipping fees at the landfill be extended until December 1, 2004. Staff is recommending approval of the request. Motion by Commissioner Bullard, seconded by Commissioner Stokes, to continue waiving the tipping fees at the landfill until December 1, 2004.

7. COMMISSIONERS

Commissioner Maxcy thanked the public for their votes last Tuesday, and stated he looked forward to working with the Board and Staff for another four years.

Commissioner Bullard commented on working on the Canvassing Board, and extending a commendation to Supervisor of Elections, Joe Campbell, and his Staff for all of their hard work during the elections.

Commissioner Jackson presented outgoing Chairman Flowers with a plaque, in appreciation for his continued commitment to the community and furtherance of the public trust in government for his service as Chairman.

Commissioner Flowers thanked the public for placing him in the position of public trust, and thanked the Board and County Staff for their dedication to serving the public.

A. County Engineer, Ramon Gavarrete: Request approval of Budget Amendment to Purchase Software to Interface Engineering Department's Plan Review Process, Driveway Permits, and Concurrency Reviews with the Building Department and Planning and Zoning Processes.

County Engineer, Ramon Gavarrete, presented the request. Commissioner Stewart questioned if this process is used across the state. Mr. Gavarrete stated it is used in a lot of cities and counties. Deputy Clerk, Bob Jamison, inquired about the interfacing process. Motion by Commissioner Stokes, seconded by Commissioner Bullard to approve the request as stated, including the budget amendment. Upon roll call, all Commissioners voted aye. Motion carried.

B. Board Attorney

1. Request for Direction on Department of Juvenile Justice Litigation - Hearing and

Administrative Procedures on CFO's Withholding.

Board Attorney, Ross Macbeth, gave an update on the Department of Juvenile Justice litigation, stating that the circuit court ruled in favor of the counties, and entered an injunction against both collection and enforcement by DJJ for non-payment. Unless the decision is overturned or the injunction lifted, no county needs to make any further payments to DJJ. He stated that the Board will be kept informed of any further developments. See SMB 46 Page 124.

2. Request to consider Amendment to Franchise Agreement with Reliable

Sanitation

Board Attorney, Ross Macbeth, stated the Board recently considered a revision to the franchise agreement with Reliable Sanitation, with renewal of their contract at a different rate. The new rate was approved and the contract has been signed by Reliable Sanitation. Commissioner Bullard requested more time to study the contract prior to taking action on it. Mr. Macbeth stated that it can be put on next week's agenda as an action item.

C. County Administrator

**1. Consideration and Request for Approval of a Resolution Proclaiming a Local
Emergency**

County Administrator, Carl Cool, presented the resolution for approval. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the resolution extending the local state of emergency for Highlands County. Commissioner Jackson inquired how much longer we would need to do this. Mr. Cool stated the main reason for the resolution is to continue the debris clean up. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 222.

**2. Request approval of Budget Amendment 04-05-34 Decreasing Fund 401 Reserve

~~3. Request approval of Lease for DeSoto City Off Road R.C. Park, Inc~~

4. Discussion on Legislative Delegation Priorities

County Administrator, Carl Cool, stated that our legislative delegation will be here on Wednesday, December 8, 2004 at 9:30 A.M., to hear priorities that the County Commission would like them to consider in the next legislative process. They are requesting to have any suggestions or issues the Commission would like addressed, in writing by Friday, December 3rd. He presented the following issues for discussion and direction from the Board:

Water Management District Boundaries

Last year, House Bill 373 was proposed and approved by legislation, but was vetoed by the Governor. He stated that a meeting has been scheduled for next Monday with David Moore, Executive Director of SWFWMD, Henry Dean, Executive Director of SFWMD, a representative from the Governor's office, Commissioner Bullard, and himself, to talk about this issue. Some positive comments are needed from the Governor's office in order to move forward and get it passed through legislation again.

Gas Tax Indexing

This has been proposed for the last two years, but never went very far in the legislation process. He is recommending that the Board attempt to once again get the Florida Association of Counties to make this a state wide priority.

Unfunded Mandates regarding the Department of Juvenile Justice (DJJ)

Commissioner Bullard stated the unfunded mandates are not limited to DJJ, but the entire principal. We need to re-emphasize that we stand with the people of Florida and the Counties in opposition to this.

Commissioner Bullard brought up the need for more hurricane shelters in Highlands County, and wind compliant shelter in Lake Placid. He stated that the Town of Lake Placid has done some preliminary work on the proposed construction of a community/civic center for the town that could also be used as a hurricane shelter. He encouraged Staff to work with the Town of Lake Placid on this issue. Carl Cool stated that there are some buildings in Lake Placid that could be retro-fitted to become a wind compliant shelter. Commissioner Steward questioned if an analysis has been done of the facilities, including their deficiencies and the costs associated with upgrading them. Mr. Cool stated Staff does have that information.

Carl Cool also suggested considering asking the FAC ask the State to impose stronger wind standards on all homes and buildings. Commissioner Bullard stated that we need to look at the damage caused by the hurricanes, and do an in-depth analysis, and encourage the FAC to assist, of the homes that were built under the new building codes put into effect a few years ago, and compare those homes with the homes built under the old codes. Commissioner Maxcy added that there is always going to be some fascia, soffit, and shingle damage no matter what the standards are. Ross Macbeth added that the state is now working on tie-down standards, which do not exist right now, to make them uniform for the industry.

Staff was instructed to work on these issues and bring them back at next week's meeting for further discussion.

10. CITIZENS NOT ON AGENDA

No participants.

11. COMMISSIONERS

Commissioner Bullard announced that the Salvation Army will be having their annual Community Thanksgiving Dinner on Thursday, November 25th at the Salvation Army Center of Worship at 120 N. Ridgewood Drive in Sebring, between 11 A.M. and 2 P.M., and it is free to the public.

Commissioner Maxcy welcomed Commissioner Stewart to the Board.

Commissioner Stewart thanked the Board, and expressed her appreciation for their patience.

Commissioner Jackson stated that committee assignments will need to be done soon. Carl Cool stated that a list of all existing assignments will be put in each of the Commissioners' boxes today. Commissioner Bullard suggested appointing Commissioner Stewart as liaison to the committees that Commissioner Flowers was appointed to until such time a new liaison is appointed. Commissioner Jackson agreed with the suggestion. Ross Macbeth stated that some of the appointments require Board approval.

11. PUBLIC HEARING: Public Hearing for a proposed Zoning change and Workshop for LDR amendment and one discussion

Proof of Publication for the following hearing was entered into the record. See SMB 46 Page 132.

(1) HEARING #1766 - RONALD & REBECCA MAPLES

Nine (9) Lots located in Sunny Pines Mobile Home Rental Park, north of Bayberry Drive, East of Sweetie Street, and South of Pam Lane, Sebring, Florida, and legally described as follows: Nine (9) Lots inside Sunny Pines Mobile Home Rental Park, located in Sec. 26, Twp. 34S, Rge. 28E, Highlands County, Florida.

Request: A zoning change from CG-1 (Campground district) to M-2 (Mobile Home Parks district). Applicant desires to eliminate nine (9) RV spaces for three (3) mobile home spaces.

Development Services Director, Jim Polatty, presented the request. Commissioner Stewart inquired if there were septic tanks on these nine lots. Ron Maples, petitioner, stated there are no septic tanks, adding that the entire property is serviced by a private sewer system. Motion by Commissioner Bullard, seconded by Commissioner Stewart, in accordance with the recommendations of the Planning and Zoning Commission and Local Planning Agency, move to approve and adopt by Resolution, P&Z 1766, changing the Zoning Atlas for approximately 0.367 acre from CG-1 (Campground district) to M-2 (Mobile Home Parks district), after entering into the record and becoming effective as provided by law. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 230.

2) BRIEF DISCUSSION OF PROVISION OF CENTRAL WATER AND SEWER REQUIREMENTS THAT EXIST IN THE:

1. Existing LDRs;
2. Comprehensive Plan requirements;
3. Requirements in July Transmittal to DCA for Large Scale Comp. Plan amendments; and
4. Requirements in September Transmittal to DCA for Large Scale Comp. Plan amendments.

Development Services Director, Jim Polatty, briefly discussed the issue of central water and sewer requirements. He stated that the Planning & Zoning Board are about to recommend a revision of the Land Development Regulations (LDR's) that will merge all LDR's into Chapter 12. Staff is now preparing a response to DCA for the comp plan amendments that were transmitted in July and September. The problem is there are three different versions of both water and sewer requirements. P&Z has recommended to amend the LDR's to adopt was is contained in the comprehensive plan. Board Attorney, Ross Macbeth, stated the Board needs to try to adopt regulations, comp plans, and LDR's that are economically feasible for those projects that are coming into the county. Commissioner Bullard expressed his agreement with Staff's approach, adding that they need to come up with a uniform standard that is consistent within the LDR's and comp plan. Mr. Polatty stated that Staff can bring this issue back before the Board the first meeting in December, to allow the members of the Board to review the information and come to a decision.

12. ACTION AGENDA (Cont'd)

C. Human Resources Director: Request approval of Tourist Development Council recommendations concerning the Tourism Director and Administrative Secretary

Human Resources Director, Freddie Carino, presented a request from the Tourist Development Council to adopt the job description for the Tourism Director, and the adjustment to the salary for the Tourism Director and Administrative Secretary. Commissioner Bullard questioned if the job description and salaries are consistent with the structure of the County. Mr. Carino stated this is consistent with the County's compensation levels. Commissioner Stewart requested information on the qualifications and responsibilities of these positions and their comparability to County positions. Motion by Commissioner Stokes, seconded by Commissioner Bullard to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 133.

D. Board Attorney:

1. Request approval of Amendment to ITB #00-022 Franchise Solid Waste Collection Services Solid Waste Collection Franchise Contract

Board Attorney, Ross Macbeth, presented the request. Motion by Commissioner Bullard, seconded by Commissioner Stewart to approve the amendment to the Solid Waste Collection Franchise Contract with Reliable Sanitation. Upon roll call, all Commissioners voted aye. Motion carried. See file for copy.

2. Request approval of Tourist Development Council Cable Television Advertising Agreement

Board Attorney, Ross Macbeth presented a recommendation from the Tourist Development Council to approve two agreements with Comcast and Florida Media Inc, for advertising. Motion by Commissioner Maxcy, seconded by Commissioner Stokes to approve the contract with Comcast for cable television advertising as presented. Upon roll call, all Commissioners voted aye. Motion carried.

Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the contract with Florida Media Inc, for advertising in an annual publication, as presented. Upon roll call, all Commissioners voted aye. Motion carried.

3. Request approval of Agreement for Guest House

Ross Macbeth presented a request to approve an agreement between the County and Randolph Giller, property owner, for the purpose of allowing the property owner to construct a guest house on his land. The property owner has been granted a special exception by the Board of Adjustment allowing a guest house on the property, with an agreement being a condition of the approval. Mr. Macbeth briefly explained the agreement and the restrictions included. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the agreement. Randolph Giller, property owner, expressed his opposition to the agreement presented, stating that additional restrictions have been added since he originally signed it. Commissioner Bullard withdrew his motion, suggesting tabling the issue till Staff can work it out, and draft an agreement that is acceptable to both parties. Commissioner Stokes withdrew his second. Staff was instructed to review and amend the agreement, and bring it back in a form that is acceptable and appropriate for the Board to take action on.

4. Presentation

Ross Macbeth presented the Chairman with a check, in the amount of \$30,544.62, from Adventist Health Systems, to make up the difference between the bank qualified and non-qualified rates, for the Water and Sewer Bond that was recently issued.

Break 11:20 - 11:30 A.M.

E. County Administrator**1. Consideration and Request for approval of a Resolution proclaiming a Local Emergency**

County Administrator, Carl Cool, presented the resolution for approval. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the resolution, extending the local state of emergency for Highlands County. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 231.

2. Discussion and approval of proposed items to be presented to the Legislative Delegation.

County Administrator, Carl Cool, presented a list of items to be presented to the Legislative Delegation on December 8th, including gas tax indexing, water management district issues, additional hurricane shelters, and Department of Juvenile Justice cost shifts and unfunded mandates. He stated that gas tax indexing needs to be made a high priority at the Florida Association of Counties (FAC) conference next week. Commissioner Bullard agreed that the issue to be aggressively pursued at the conference. Mr. Cool stated the proposed legislation is a bill that would allow the Counties to make the choice if they want to index their gas taxes.

Mr. Cool stated that he, and Commissioner Bullard, met with the executive directors of SFWMD and SWFWMD and two representatives from the governors' office yesterday to discuss the legislation proposed for the water management district boundaries. He believes that the governor's office understands that the voters of Highlands County voted in favor of having the district boundaries amended. He added that this issue needs to be pushed again this year, and there is a possibility of getting the legislation approved. He recommended proposing the same bill that was submitted last year concerning the water management districts. The Florida Association of Counties is asking all of the Counties to address the issue of the Department of Juvenile Justice cost shifts with their legislative delegation, and encourage them not to vote for it.

3. Discussion on Tipping Fee Deadline for Storm Debris

Carl Cool requested the Boards' direction on the waiving of landfill tipping fees for storm debris. The deadline was set for December 1, 2004, but some citizens have come forward requesting that the deadline be extended. He stated that the Board needs to set a final date and hold to it. Commissioner Jackson stated he did not have a problem with extending the deadline to the first of the year. Commissioner Stokes said he is still waiting for a tree company to come and remove the trees from his backyard. Motion by Commissioner Bullard, seconded by Commissioner Stokes to set December 31, 2004 as the final deadline for waiving the tipping fee for storm related debris at the landfill. Mike Carr, who owns a tree service company, requested the Board to consider extending the deadline to January 31, 2005, due to the upcoming holidays. Upon roll call of the motion, all Commissioners voted aye. Motion carried.

L. OMB Director: Request approval of Resolution and Master Lease Agreement for Landfill Equipment

OMB Director, Rick Helms, presented the request to approve the Resolution and Master Lease Agreement for the lease of a Caterpillar Waste Handling Tractor for the landfill. The original lease that was offered through Ring Power Corporation included an interest rate of 8.0% and a buyout provision of \$70,000 at the end of the lease. The Florida League of Cities/Bank of America Leasing & Capital, LLC, is offering

a lease with an interest rate of 3.35% and a \$1.00 buyout provision at the end of the lease. Staff is recommending approval of the lease through the Florida League of Cities/Bank of America Leasing & Capital, LLC, which will result in savings in excess of \$70,000, based on the change in the interest rate and buyout provision. Commissioner Bullard commended Rick Helms for his communication with and awareness of the Florida League of Cities program. Solid Waste Director, Jerry Leszkiewicz, thanked Rick Helms and Jed Secory for their awareness of the program, and saving the Solid Waste Department money. Motion by Commissioner Bullard, seconded by Commissioner Maxcy to approve the Resolution, Master Lease Agreement, and authorize the Chair and county staff to sign the appropriate documents for the lease of the equipment. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 232 and Landfill file.

13. COMMISSIONERS

Commissioner Maxcy wished everyone a Happy Thanksgiving, and encouraged everyone to be safe.

Commissioner Stewart reminded everyone that the Avon Park Christmas Parade is Monday evening, November 29th.

Commissioner Bullard also wished everyone a happy and safe holiday.

6. ACTION AGENDA

Motion by Commissioner Stokes, seconded by Commissioner Maxcy to set action agenda as listed. Upon roll call, all Commissioners voted aye. Motion carried.

A. EMS Director: Request approval of two Provisional Paramedic positions

EMS Director, Rick Weigand, presented the request for approval of two additional Provisional Paramedic positions, on a one time basis. He stated that they currently have four employees that have completed their Paramedic training. Of the four, two have received their certification, and are working in the two provisional positions. The other two employees are either waiting on their results from, or scheduled to take their state certification board tests. He is requesting the two additional positions to allow these two employees to work at the same level as the others. Commissioner Bullard made a motion to approve the request as stated, and expressed his congratulations to the four employees that have completed their training. Commissioner Stokes seconded the motion. Upon roll call, all Commissioners voted aye. Motion carried. See SMB 46 Page 141.

B. Insurance Specialist: Request approval of Section 125 Cafeteria Plan Services Agreement

Insurance Specialist, Sherri Bennett, presented a request to approve an agreement with Cornerstone for the administration of the County's Section 125 Cafeteria Plan. Commissioner Maxcy questioned if this was put out for bids. Mrs. Bennett advised it did, and Cornerstone came in under the NCT Group, who has administered the plan in the past. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried.

C. Parks & Recreation Director: Request approval of Recreation & Parks Advisory Committee's recommendation - Town of Lake Placid, and Budget Amendment #04-05-52

County Administrator, Carl Cool, presented a recommendation from RPAC to approve a budget amendment for the funds to replace batting cages for the Town of Lake Placid. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried.

D. Extension Director: Request approval & adoption of 4-H Shooting Sports Policy and use of Avon Park Marl Pit for use as a shotgun practice range

Extension Director, Gary Mikulecky, presented a request for the adoption of the 4-H Shooting Sports Policy and Use of the Avon Park Marl Pit for use as a shotgun practice range. Commissioner Stewart expressed concern about a conflict with other users of the property for fishing, and the safety of others. Mr. Mikulecky stated the property is supposed to be restricted, is fenced, and is not to be used for fishing. If approved, the 4-H club would like to start after the first of the year, and signs will be posted. Commissioner Bullard questioned what type of shooting will occur, and in what direction. Mr. Mikulecky stated that the shooting will be over the lake, using biodegradable targets. County Administrator, Carl

Cool, advised the Board will also need to waive Board policy restricting the discharge of firearms on County property for this site. Motion by Commissioner Stokes, seconded by Commissioner Maxcy to approve the request as stated. Upon roll call, all Commissioners voted aye. Motion carried.

E. Development Services Director: Request approval of water & sewer requirements

County Administrator, Carl Cool, briefly discussed the issue. He stated that the County Engineer, the Development Services Director, and himself, are in agreement with the Planning and Zoning Commissions' recommendation to amend the Land Development Regulations (LDR) to meet the Comprehensive Plan, making the requirements for water and sewer less stringent. Development Services Director, Jim Polatty, added that there are approximately 55 large scale comp plan amendments scheduled for public hearings at the end of December, and public hearings to adopt LDR amendments are scheduled for January. Both concepts conflict with each other. Commissioner Bullard spoke in agreement with P&Z's recommendation. The Chair opened the floor to the public.

Curtis DeYoung spoke in agreement to making the LDR's and comp plan consistent, but suggested making the threshold 20 units for water and sewer. Don Linton and Jack Ritchie spoke in opposition to P&Z's recommendation. Commissioner Stewart spoke in support of adopting the LDR requirements, and suggested bringing in representatives from other counties that have been faced with this issue. She also asked if it would create a problem to leave the requirements as they are, or is a definitive number needed for the large scale developments that are coming before the board. Board Attorney, Ross Macbeth, stated there would be no problem, because there have been inconsistencies between the LDR's and comp plan for some time. Commissioner Bullard made a motion to approve the recommendations of the P&Z, and direct staff to amend the LDR's to be consistent with the comprehensive plan. Commissioner Stokes seconded the motion. Upon roll call, all Commissioners voted aye, except Commissioners Stewart and Maxcy, who voted nay. Motion carried.

F. Board Attorney

No report.

G. County Administrator: Request approval of Legislative Delegation package

County Administrator, Carl Cool, presented the Legislative Delegation package to the Board for their consideration and approval. He summarized the items that will be presented tomorrow morning to the Delegation. He also presented a draft Resolution, for approval, stating the Board's opposition to any proposed legislation that attempts to shift the cost of juvenile detention to the Counties. Commissioner Bullard spoke in opposition to adopting the resolution. Commissioner Maxcy stated the County needed to continue the battle for gas tax indexing and hurricane shelters. The Board instructed Staff to present the items as listed.

7. CITIZENS NOT ON THE AGENDA

Ray Napper, on behalf of Channel 17, offered to televise the County Commission meetings live, once they are back on the air. The station has agreed to donate the air time, but would require the Board to purchase a transmission system for the government center.

8. COMMISSIONERS

6. WORKSHOP: Presentation on Code Enforcement activity since June 1, 2004, and to request the review of a budget amendment for 2004/2005 fiscal year for a full time Code Enforcement Secretary

County Administrator, Carl Cool, stated that last March, the Board discussed several options for implementing pro-active code enforcement in the county. Staff recommending hiring a temporary code enforcement clerk, which would allow the code enforcement officers more time in the field. The Board approved the recommendation for a six month time period, and requested Staff report back on the effects the temporary clerk had on code enforcement’s level of service to the County. The hiring of a full-time code enforcement clerk was submitted in the 04/05 budget, but was not approved. Staff is now recommending the same position for the remainder of the fiscal year. Mr. Cool stated he saw no problem with funding the position for the remainder of the fiscal year. Zoning Supervisor, Gary Lower, gave a brief report on the code enforcement activities since June 2004. He stated that the number of complaints registered and inspections completed has increased, and the code enforcement officers have increased the amount of time they spend in the field, and increased their response times to complaints. Commissioner

Jackson inquired about the costs associated with the position. Mr. Cool stated the amount requested in the budget was \$26, 892 including benefits. Commissioners Bullard, Stewart, and Stokes all spoke in support of funding the position for the remainder of the fiscal year. OMB Director, Rick Helms, requested that the Board review all of the positions that were requested during the budget process before making a decision. Commissioner Jackson expressed his support of the funding, and requested to see the numbers associated with funding the position for one year. Carl Cool stated budget amendments could be brought back before the Board next week, one showing the figures for funding for the remainder of the fiscal year, and one with the figures for one full year. See tape for further detail.

Tim Eures stated the Ken Jorgensen also passed the class but was unable to take his exam due to being called up for duty in Iraq. Chairman Jackson expressed his thanks for their dedication and

hard work in completing the course and serving their communities. Commissioner Bullard expressed his appreciation and thanks to all of them for their commitment to completing the class.

C. Arrival of Santa Claus

D. William Ockert, P.E., Project Manager, DKS Associates: Request approval of the Functional Classification/Urban Boundary Maps

County Engineer, Ramon Gavarrete, introduced William Ockert, a Professional Engineer hired by the Florida Department of Transportation, to do a review and revision of the Functional Classification/Urban Boundary Maps. He added that the maps are used primarily to determine the eligibility of various highway facilities to receive federal funds. Mr. Ockert, Project Manager for DKS Associates, gave a brief presentation on the purposes of the project, and the guidelines used for classification. He requested the Board to review and approve the three maps: the County map and the two cluster maps of Sebring/Avon Park and Lake Placid. Commissioner Bullard suggested revising the maps to reflect all of the street name changes that have taken effect in the County. Mr. Gavarrete stated he will have his staff review the name changes and pass the corrected information on to Mr. Ockert. Motion by Commissioner Bullard, seconded by Commissioner Stokes to approve the Functional Classification/Urban Boundary Maps, subject to street name changes being included. Upon roll call, all Commissioners voted aye. Motion carried.

E. Board Attorney

No report.

F. County Administrator: Report on possible purchase of a sewer system

County Administrator, Carl Cool, advised the Board of an offer to consider the purchase of a sewer system and sewage treatment plant in Sebring that serves Fairmount Mobile Estates. He stated this is something the County should look into, but not spend a lot of money on at this point in having a detailed analysis made. He added he has already talked with the County Engineer's office to have an initial review done, and will report back to the Board with additional information. Commissioner Maxcy requested information on the long term benefits of this purchase to the County.

10. ACTION AGENDA

Motion by Commissioner Maxcy, seconded by Commissioner Stokes to set action agenda as listed. The motion carried unanimously.

A. Artie McIntrye, General Manager, Highlands County Fair Association: Requesting support for a grant to be used for a convention center/hurricane shelter

Artie McIntrye, representing the Highlands County Fair Association, requested the Board's support for a grant that the Association wrote to the Florida Department of Agriculture, for funding for a 38,000 square foot multi purpose facility, to be used as a convention center/hurricane shelter. He stated that this is the same grant request that they have submitted for the past three years, but feels that, due to the recent hurricanes, they might have a better chance at getting it this year. The budget request has already been sent to the House of Representatives through Representative Grimsley's office. Commissioner Maxcy questioned if Rep. Grimsley is going to support and present the request. Mr. McIntyre stated he did not know which Representative will present it, but they do have letters of support from Rep. Troutman and Rep. Alexander. Commissioner Stewart requested an updated copy of the grant submittal. Motion by Commissioner Maxcy, seconded by Commissioner Bullard to support the Highlands County Fair Association's grant request, and instruct the Chairman to write a letter expressing their endorsement. The motion carried unanimously. See SMB 46 Page 152.

8. PUBLIC HEARING: Public Hearing of a motion to consider a Resolution to vacate plat described as removal of that dashed line appearing on the West 30 feet of Lot 1, Block A, Breezy Point Park Subdivision, as said line erroneously represents a purported extension of Hickory Street South from Lake Stearns Drive to the shoreline of Lake Stearns

Proof of Publication was entered into the record. See SMB 46 Page 153. County Engineer, Ramon Gavarrete, presented the request. Motion by Commissioner Stokes, seconded by Commissioner Maxcy

to approve the resolution vacating the plat as presented. Upon roll call, all Commissioners voted aye. Motion carried. See Res. Book 17 Page 245.

Commissioner Maxcy entered a Memorandum of Voting Conflict form into the record for the following hearings due to the applicants being clients, business associates, or family members: Hearings # 6-2, 6-3, 6-4, 6-5, 6-10, 6-11, 6-12, 6-13, 6-14, 6-19, 6-35, 7-2, 7-5, and 7-6. Commissioner Bullard entered a Memorandum of Voting Conflict form into the record for the following hearings due the applicant being a relative: Hearings # 6-25, 6-26, 6-27, and 7-3. See SMB 46 Page 154.

6 -1) HEARING # CPA-04-229LS (A) - SOUTH FLORIDA WATER MANAGEMENT DISTRICT - C/O JEFF MCLEMORE - COUNTY INITIATED

Approximately 37.36 acres located in Sec.2, Twp.36S, Rge.32E, Highlands County, Florida.

Request: A large-scale plan from (Existing Designation) to (Conservation Management Lands). Development Services Director, Jim Polatty, presented the request. Motion by Commissioner Bullard, seconded by Commissioner Stokes, in accordance with the Local Planning Agency / Planning and Zoning Commission, move to adopt by Ordinance CPA-04-229(A)LS, including referencing the mandatory findings contained in the Staff Report. Upon roll call, all Commissioners voted aye. Motion carried.

6 -2) HEARING #CPA -04-256LS - DAVIS CITRUS MANAGEMENT, INC. - C/O RICK WHIDDEN

Subject property is located on the south shore of Lake Glenada, adjacent to Lake Glenada Mobile Home Park, and abbreviated legal as follows: Approximately 40.00 acres located in Sec. 34, Twp. 33S, Rge. 28E, Highlands County, Florida.

Request: A large scale plan amendment from (Agriculture) to (Medium Density Residential). Applicant desires single family residences.

Development Services Director, Jim Polatty, presented the request. Joe Davis, petitioner, stated he agrees with P&Z's recommendation, limiting the dwelling units to 49 with central water and septic tanks. Commissioner Bullard commended the applicant for his willingness to limit the density on the property, adding that the ordinance will have to be amended to reflect the lower density. Commissioner Stewart suggested that higher density with central sewer would be more appropriate for this property. Motion by Commissioner Bullard, seconded by Commissioner Stokes, in accordance with the Local Planning Agency/ Planning and Zoning Commission, move to adopt by Ordinance Case # CPA-04-256LS after

referencing the mandatory findings contained in the Staff Report, amending the ordinance to reflect the changes in the conditions as discussed. Upon roll call, all Commissioners voted aye, except Commissioner Stewart, who voted nay, and Commissioner Maxcy who abstained. Motion carried.

6 -3) HEARING #CPA-257LS - DAVIS ENTERPRISES, INC. - C/O RICK WHIDDEN

Request: A large scale plan amendment from (Agriculture) and (Low Density Residential) to (Medium Density Residential) and (High Density Residential). Applicant desires single family residences and multiple family housing.

Development Services Director, Jim Polatty, presented the request, stating that an additional condition has been added to the ordinance, allowing for the future purchase of right-of-way for the Sebring Parkway Phase Four. Joe Davis, petitioner, stated his disagreement with the additional condition. He added that they would be willing to accept Staff's conditions upon approval of the comp plan amendment. Commissioner Maxcy suggested the possibility of re-aligning Phase Four of the Parkway. Commissioner Bullard agreed, but added that any re-alignment would still affect the outcome of a sector plan. Commissioner Stewart questioned the original purpose of the sector plan, adding that the County needs to work with the property owner, and take the time to do the plan correctly. Commissioner Bullard suggested deleting condition #9 from the ordinance. Motion by Commissioner Bullard, seconded by Commissioner Stokes, in accordance with the Local Planning Agency / Planning and Zoning Commission, move to adopt by Ordinance CPA-04-257LS, as amended, deleting condition #9, including referencing the mandatory findings contained in the attached Staff memo dated December 22, 2004.
